***Optional Payment Plan**

ATU offers payment opportunities that will work within the budget of each trainee. Payment plans may be arranged with the Director by outlining your financial needs for the upcoming term. Payment plans rest solely on the initiative of the trainee to request financial accommodations.

If the terms of the agreement cannot be fulfilled, the trainee is responsible for informing the Director in advance. All renegotiation of terms will be at the discretion of the Director. Failure to complete the terms of the agreement will result in temporary suspension from the course. Continuing failure to meet the terms of the agreement may result in dismissal from the course.

If there are any questions regarding payments or this payment policy, please contact
