Abbey Barbay - Owner

Services Provided

- Still Image Renderings
- Walkthrough Video Renderings

Each project includes a complete visual package with still images, a walkthrough video, and one round of minor revisions.

Revision Policy

Minor revisions include small adjustments totaling up to three (3) hours of work and may be used for client review and refinement. Any significant scope changes or requests exceeding the included revision allowance may result in additional charges.

Pricing Guide

Per-room pricing varies by space and complexity. All projects receive a custom quote, with multiple-room projects receiving a 10% discount. Full-home walkthroughs are priced separately based on the overall project scope.

Process

Step 1: Inquiry via email/wesbite or a brief consultation call

Step 2: Required materials submitted to prepare quote

Step 3: Custom quote and estimated timeline provided

Step 4: Draft renderings reviewed with minor revisions

Step 5: Final deliverables delivered digitally
