From the Director's Desk

Let me start with, watch yourselves out there! There have been multiple accidents in the area already this season. We have had four club rides so far, including a dinner ride. Hopefully our weather pattern will improve and we can start having two rides on the weekend.

Upcoming Rides:

- 5/11 Ride to Bike Blessing at Adirondack HD
- 5/18 Group ride to attend funeral of Charter Member, "Uncle" Milt Smith, followed by ride to lunch
- 5/19 May chapter meeting and ride to Freight Yard Pub
- 5/24-5/27 Rolling to Remember in Washington, DC

Pre-ride tips:

- Make sure you have correct gear for ride and weather
- Make sure your bike is ready, including keeping up on services, monitoring tire pressure and wear, and always arrive with a full tank of gas.

Reminders:

- Turn your mileage into the dealer
- Time is running out if you're thinking about attending an overnight ride and have not booked your room.
- We still have shirts available

Ride Safe! Mike B.

Assistant Director, Terry F

With our riding season coming into full swing, we need to make sure we are watching for obstacles in and on the road. The winter animals are waking up, motorcycles are back on the road ,so we need to keep an eye on the road ahead.

Remember if you have anyone interested in the club, ask them to come on a ride to see what we are all about. We have some great rides and rallies on the event calendar. Let's all have a great season, enjoy the open road, and eat good food and ice cream.
