SAVE the DATES: Alma's Ride July 22nd McDermott's 40th Anniversary Ride/ Party August 11th... Club Picnic August 19th.....

Hello ADK HOG! After a weird spring, we finally got some good weather. The road captains have planned and led some great rides to destinations old and new. I think we are averaging about 8 people or more per ride. I have put almost 6000 miles on the new bike. I'm sure I'm behind a lot of others!

Americade had pretty good weather this year. It was very weird without Harley- Davidson in town. That seemed like a bad decision with the intro of the new Gold Wing this year, new Yamaha last year & Indian's continued hard charge into the big bike market.

We have had some new faces on our rides so far this year. Welcome everybody! Come & take a ride with us, it's a great group!

Laconia Bike Week also had good weather. We had a large group there for the week. We also had some "Iron Butt" riders go out on Sat.

Alma's Ride is 1 week away! Fingers crossed for good weather. ADK HOG is planning & leading the ride again this year. Our road captains could use some help with #2 riders & sweeps if we have a big group. Pre-register now to be get a pin. (1st 100 get pins)

The Iron Adventure & HD's 115th Anniversary are almost here. I'm looking forward to both. I found some pictures from the 105th. Great memories!

Congrats to Linda & Tim J. They have a new grandson & a new bike. Congrats also to Peg & Jeff H. on their new bike.

That's it for now, see you on the road!

Forty years ago, we started out on a journey that we never could have imagined would bring us to where we are today. Every bit of our success is thanks to you- our friends, family, customers and supporters. Whether we've known each other forever, or we've just met, we owe it to you for allowing us to build a community doing what we love the most. It still blows our minds that we are able to do what we are passionate about for people who share that same passion. Thank you for being our customers. Thank you for being our friends. Thank you for 40 years. We can't wait to see what's next!
