From the Director's Desk

It's that time of the year where my two riding seasons meet, as I wait for more snow and shop for sleds while thinking about what we need to pack for Daytona Bike Week, "The Official Start of the Bike Season."

We have six members headed to Daytona next weekend. Keep an eye on the club Facebook page for photos. Remember to get your mileage to Alise for Ride 365 and other mileage rewards.

120th Anniversary Update- we know there will be a Chapter Parade of Flags. Harley should have details and registration process available soon.

Upcoming Events:

- ◆ 2/26/23 - Chapter Meeting, 10am at McDermott's
- ◆ 3/25/23 - McDermott's Cabin Fever where we will have a table set up for membership, 50/50 and bake sale.
- ◆ 3/26/23 - Chapter Meeting, 10am at McDermott's

Congrats to Terry & Donella Fisher on the purchase of their new Road Glide!

Assistant Director

Terry Fisher

Hello! This will be a new thing for me to add to a newsletter. There are some exciting things happening this riding season. Many of us have new rides and can't wait for the clean roads!

We would like to start getting the word out about our club to help boost membership. With that being said let's keep up our club presence at McDermott's Harley. Alise and the crew have been generous with our annual awards banquet give-aways, our monthly gift cards, and the use of the shop for our winter meetings and our annual picnic. This will be a win-win for all of us.

HOG has some great challenges going on this year. Please check out RIDE 365 for more info. Get your miles to Alise to update RIDE 365 for 2023 especially if you're planning on heading down to Daytona. This will benefit the group and you as an individual as well.

We have started the ride schedule and the first draft should be out soon. There are a few open dates so if anyone has idea's please send them to Mike. We have some great over night trips also - Daytona in March, Laconia Bike week in June, Milwaukee 120th in July. And if you're already booked for Milwaukee the concert tickets are ready to purchase on line now also.

There are 5 officers headed to Binghamton for HOG Officer training in April. Stay tuned and have a great month.

Hope to see everyone at Cabin Fever 3/25!

Thanks!

Terry

What is Ride 365?

Ride 365 is the Official Mileage Recognition Program for H.O.G.®, The Official Riding Club of Harley-Davidson. Ride 365 includes the existing lifetime recognition and two new programs—**Annual Recognition and an annual Chapter Challenge**.

You must have your odometer mileage validated at your H-D® dealership at the beginning of the calendar year. After that, you can return to the dealer throughout the year to add to your total annual mileage. Your miles will count towards the chapter challenge and also be added to your lifetime total and tracked as part of the lifetime program. The annual program recognizes miles ridden from January 1st through December 31st. All HOG members are encouraged to participate.

The poster features a central illustration of a rustic log cabin with a stone chimney, set in a snowy winter landscape. A motorcycle is parked in the snow in front of the cabin. The background is a soft, hazy blue with falling snow. The text is arranged in a clear, bold layout, with the event details and date prominently displayed.

Head Road Captain

Mike Bala

The road captains met earlier this month and we have a good start to the ride schedule and I will be updating the calendar.

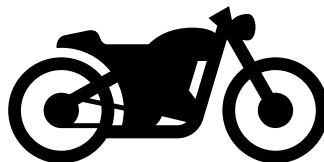

We are in need of a couple more road captains. Road Captains are an important part of each ride, not only planning the route and leading the ride, but riding second and also sweep. Please reach out to me if you're interested or have any questions.

- ☐ **Daytona Bike Week** is March 3-12. We have have several members heading south for the big event and I'm sure we will be sharing some good stories at McDermotts Cabin Fever Party when we return.
- ☐ **Americade**, our hometown rally, May 31- June 4
- ☐ **Laconia Bike Week** should be a good one, celebrating 100 years, June 10-18. I will be leading rides through NH and ME.
- ☐ **H-D Homecoming 120th Anniversary**, July 13-16. We have several members attending. Concert tickets are on sale now. FooFighters, Green Day and eight other bands over two days for \$180.00.

Is your bike ready to ride?

Do you need and a service, tires, or want to upgrade something? Don't lose ride time in the spring.

Get it done now and beat the rush in April.
