ADKHOG

Hello ADK!

If you didn't catch it on Facebook, Adirondack HOG was in Daytona. We had several members attend and also met up with some former members. A big thank you to Bill and Linda Netsuk for hosting us for dinner. The burgers were fantastic and it was great to catch up.

We also met up with J Korp a newer member from last year who lives in Florida. We are looking forward to having him join us for some rides again this year.

As always it was great riding with friends, lot's of entertainment, and good food! Several members are sporting some new ink as well.

Chapter shirts have been ordered.

We are looking forward to Cabin Fever at McDermott's and hope to see everyone there. March 25th is also the official National Spring Season Opener. Check out all the new 120th anniversary bikes and gear.

Road captains met and we are populating the events calendar. You can always find the calendar on ADKHOG.com. If you are interested in being a road captain or have a favorite ride you would like to see on the calendar, let me know!

Ready for a great season of riding.

what was your favorite ride destination?

Cindy: Lake Harris was a great ride with Gator Harley. The very best was getting together with Bill and Linda. So many wonderful moments with friends!!!!

Tracy: St. Augustine

LouAnn: I always like finding new places. Loved the ride to Lake Harris, great food on the water. The "loop" is by far my favorite every year.

What was your favorite place to eat?

Cindy: The best food was the place we ran from the rain on Friday night, . And beef tips appetizer at Iron Horse.

Tracy: Riptides

LouAnn: Blake Shelton Ol' Red's was a pretty cool restaurant. Had no idea it was in the area so it was a cool find. Three Bananas was good and any place with crab legs is also my favorite.

What was the craziest thing you saw while you were there?

Cindy: The strangest was the midget lady whipping some guys butt for money.

Tracy: All the Halloween costumes on Main Street... AND the disappearing beachfront is pretty crazy too! Honestly as far as crazy, there is too much to mention!! It's amazing how so many different people, different bikes and all from so many different places can come together and just have FUN!!

LouAnn: I don't get too surprised anymore with the Daytona night life. It was pretty tame. I was surprised to see so many people in costume riding down Main Street this year. Cabbage Patch is always entertaining with coleslaw wrestling! But I would have to say the wet T-Shirt contest at Dirty Harry's was interesting...you had to be there to understand.
