## From the Directors Desk

Hello ADKHOG!

Well, it was a wet season but we made the most of it, logging 42 days of led rides. During 2023 we had members attend Daytona Bike Week, Laconia Bike Week, and the 120th Harley Davidson Anniversary in Milwaukee. We also had overnight trips to NH for Laconia HD's bike night and then to Gettysburg.

The mileage contest ended 10/31/23 and of the 27 members that provided a starting mileage, 16 members provided their ending mileage.

Planning is already under way for 2024 Daytona Bike Week and Sturgis Rally.

The shirt order has been in for a few weeks now and I will have them at the meeting on Sunday. If you ordered a shirt please see me on Sunday or contact me to make other arrangements. After Sunday, if I haven't heard from you, we will make the shirts available to any member who wants to buy them.

Sunday we will finalize the officer elections for 2024, review plans for the Awards party in January, and for those going to Sturgis we need to discuss some concert announcements. We've heard that Jelly Roll and Kid Rock will be headliners at the Buffalo Chip.

Looking forward to seeing everyone at the meeting on Sunday at McDermott's at 10am. As a reminder, there will be no meeting in December and the January meeting will be at the awards banquet.

See you soon. Mike B
