**Chapter #3220 sponsored by McDermott's Harley Davidson**

## From the Director's Desk

By Mike Bala

Hello ADK HOG Members! We just got back from Daytona Bike Week, and it was a blast as always. We had 11 members join us, including some first-timers. Big thanks to Bill and Linda Nestuk for hosting our club dinner for the second year in a row. We really appreciate it! We even had some former members attend. You may have heard, LouAnn and I ran into a little trouble with our bike - blew a lifter and ended up spending way too much time at the dealership. On the bright side, we came home with a new bike!

Our Road Captains are working on the schedule for upcoming rides. We're hoping to have it ready by the end of this month. Also, some of our officers will be attending ROC training in Schenectady on April 20th. If you're interested in joining, give us a heads up - we might be able to get some extra spots.

A couple of reminders. the mileage contest started on January 1st and goes until December 15th. Don't forget to swing by the shop and let Kara and Alise know your starting mileage. You can update it whenever you're there. And let's keep each other posted on our progress in the Ride 365 Chapter Challenge - we'll share monthly updates.

If you've ordered a shirt and haven't picked it up yet, please reach out to me. We have several long sleeve shirts available in different colors and sizes. We'll have them at the meeting on March 17th at 10 am at McDermott's. Hope to see you there!

CHAPTER CHALLENGE

## Assistant Director

By Terry Fisher

We've put 800 miles on the bike so far this season. Went to Daytona Bike Week for the first time. The weather was great, much better than expected. We ate a lot of good food, heard some great bands and went to see all the sights.

Here's my top 10 Must Do's in Daytona:

- For breakfast, I highly recommend the Monkey Morning Cafe. Excellent staff and tasty hand cut steaks.
- For lunch, Dixie Crossroads in Titusville for Rock Shrimp.
- For dinner, Hull's Seafood, JB's Fish Camp, or stop into the Iron Horse Saloon for their famous steak tips.
- For late night dinning, Caribbean Jack's on the water in Ormond Beach.
- Coleslaw wrestling at the Cabbage Patch...what can I say about that. Lots of ladies in all shapes and sizes with very little on.
- Music at the Broken Spoke... Hairball...Hairball...Hairball. If you've never seen them its a must. 80's, 90's Rock cover band. They put on quite a show.
- Teddy Morris's Daytona Harley Vendors and Dealer. Stop in at Sinners and Saints for a cold beverage and some great music by Jasmine Cain.
- Test rides at the Daytona International Speedway and several local dealerships. We rode our first trike and I drove the 135 fast Johnny.
- Ride the "Loop", several times and then head over to Main Street for some late night music bike watching.
- Ride A1A to St. Augustine and have lunch at the Conch House.

It was a great trip and I'm looking forward to a great 2024 riding season!

Terry F.
