You have voluntarily entered an AMA sanctioned road and trail riding event (tour). An AMA sanction indicated that this event is listed in the Associations calendar and that the AMA road riding rules may be used as a guideline. It does not indicate that facilities and/or the course have been inspected or approved by the Association, nor does it indicate that the officials have been trained or accredited by the Association, nor does it indicate that your safety has been warranted by any AMA authority or by the promoter.

To some extent, all motor vehicles are inherently dangerous. You should take part in this event based on your own assessment of your abilities. Routes may traverse public roads, and highways and the promoter is not responsible for their condition or the actions of other individuals using public roads and highways.

Regardless of state laws, the AMA urges you to wear a helmet and other appropriate safety apparel. The Association also urges you to receive professional instruction before operating a motorcycle. The promoter does not provide medical insurance. We urge you not to operate a motorcycle without medical coverage.

If you have any doubts about your personal ability to participate in this event, if you have not adequately prepared yourself and your equipment, if you question the condition and safety of local public highways, or if you believe your personal insurance coverage's are not adequate to compensate you for any loss that may occur, we urge you to notify the promoter who will immediately refund your entry fee.

I have read and understand the above statement.
