3-TUBE SPRINKLER

Flexibility for Sprinkling & Soaking

- Three tube configuration provides average 40' wide spray pattern
- White stripes can be positioned up for sprinkling, down for soaking
- Removable cap used for adding length or flushing mineral particles

Stock No.	I.D.	PER CARTON				UPC No.
		Length	Pack	Wt	Cube	
FS25	CAPPED	25'	10	16	0.96'	0 44882 67121 7
FS50	CAPPED	50'	10	31	1.4'	0 44882 67137 8

Flexon's Soaker hose provides even soaking action to plants and roots above and below ground.

Porous rubber tube allows water to 'weep' through the hose

Flexon's 3-Tube Sprinkler hose offers dual watering functionality:

White stripes up for sprinkling;
Down for soaking.

Flexon's Marine & RV / Boat & Camper series hoses are lightweight and perfect for travel. These hoses are designed to offer drinking water safe connectivity from any faucet aboard your boat or mobile home.

Crush Resistant Couplings

Expandable & Retractable

UV Resistant

Flexon coil hoses save you time and energy in your everyday household chores. Their unique design eliminates the need for hauling, lugging and storing. They rebound after each use and are incredibly easy to handle and store. Each coil hose is equipped with crush resistant couplings and made with a special blend of materials to give it spring coiling action.

Ideal for:

Boats & RV's

Household Uses

Gardening
