ONE FOR ALL

Our Power Share family of high-performing tools combines versatility with efficiency, in the form of our popular MAX Lithium batteries. The power of one durable battery, shared among several tools.

SHARE BATTERIES SAVE MONEY™

2 TOOL OPTIONS

STANDARD TOOLS

Battery and charger included with tool.

TOOL ONLY

Use batteries and charger you already own.

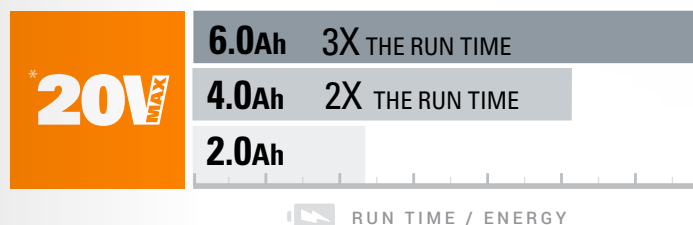

Save up to
60%
when you buy
tool only

Expand your productivity without paying for extra batteries and chargers. The WORX 20V* MAX Power Share platform provides a product range to cover all your DIY and outdoor power tool needs.

POWER FOR EVERY NEED

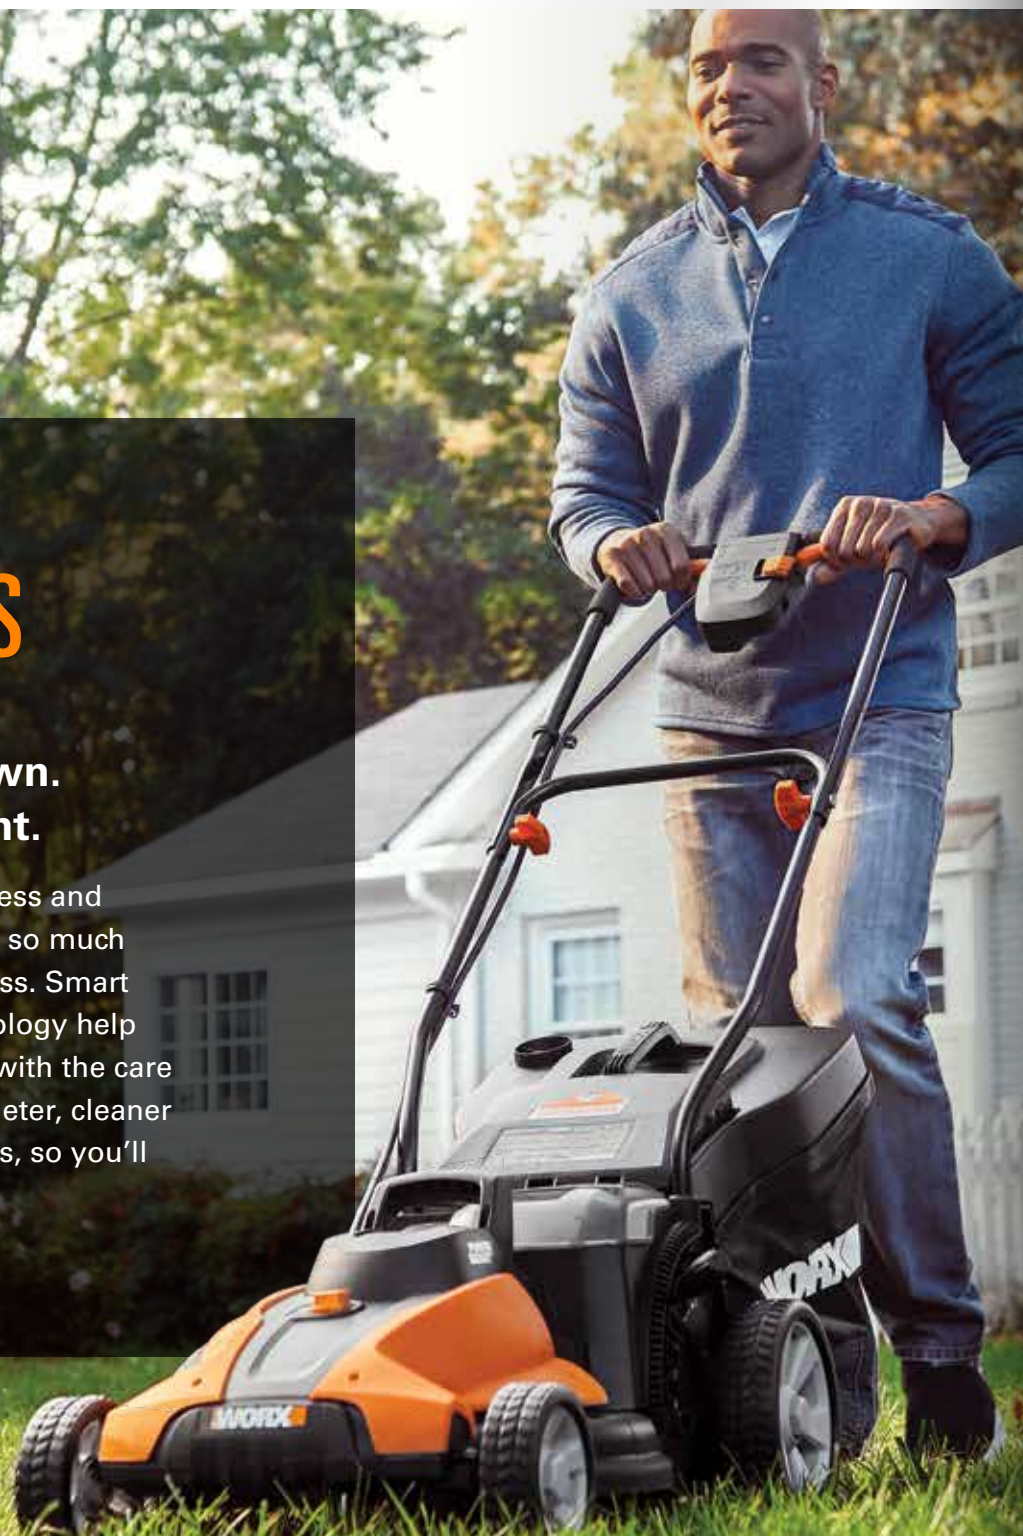

Lightweight but powerful. Long-lasting and efficient. Swaps out in seconds with a simple click. The WORX 20V Max battery gives you the power and flexibility to turn your To Do list into "Done".

MOWERS

**Take care of your lawn.
And the environment.**

WORX has a full line of cordless and electric lawn mowers that do so much more than simply cut the grass. Smart features and the latest technology help our mowers treat your lawn with the care you demand. Plus they're quieter, cleaner and greener than gas mowers, so you'll feel good about your choice.

40V 20" Lawn Mower

Power up with dual 20V 5.0Ah batteries for 40V total power and performance with the WORX 20" cordless mower. Steel cutting deck with premium mulching capabilities. Cuts up to ¼ acre on single charge. Quick single lever cutting height adjustment.

FEATURES

MULCH OR BAG

Complete control over yard clippings with the 3-in-1 mower that mulches, bags or side discharges.

NUTRICUT

Dual-edged mulching blade breaks down clippings smaller than standard mower blades creating a natural lawn fertilizer.

LANDROID®

Putting technology to work for you.

At WORX, we embrace the principle of “Work smarter, not harder.” Sometimes that idea goes even further toward not working at all. That’s why we developed the future of lawn care – Landroid®, our unmanned mowing vehicle. So you can spend time enjoying your yard, not maintaining it.

LANDROID®

All new and fully configurable to meet your needs.

Two sizes to match your yard size. Pair accessories with your Landroid for added technologies that tailor to your needs.

WA0194

The Landroid Garage adds extra protection against harsh weather conditions.

WA0867

Create a bomb proof radio connectivity that extends as much as 0.6 mi from your WiFi router.

WA0866

Track your Landroid with GPS if it gets stolen.

WA08634

Make certain areas of your lawn off limits.

WA0860

Intelligent obstacle avoidance with ultrasonic sensors.

YOUR LAWN AT YOUR FINGER TIPS

The new app is an integral part of the Worx Landroid system. Not only does it give you key information, it's also packed with features that maximize performance and convenience.

SHARE BATTERIES, SAVE MONEY
Landroid can share its battery with all Worx 20V cordless tools.

WEATHER PROOF

Landroid is 100% weather proof and happy to be outside. Landroid stops mowing when it is raining for optimal results.

AS LONG AS YOU WANT

Grass length is a matter of personal taste. Adjusting Landroid's cutting height to your favorite length is as easy as turning a dial.

STEALTH CHARGING

The Landroid charger has a grid that allows grass to grow through it, which Landroid then cuts for a tidy finish.

GRASS TRIMMERS

Easy to use and easy on your budget.

WORX trimmers are perfectly engineered for one common goal: a well-maintained yard. Our cordless and electric lightweight designs are easy to use and make yard work a less arduous chore. Consider WORX your landscaping teammate, lightening the load as you quickly and easily tackle every task on your list.

40V 13" Grass Trimmer

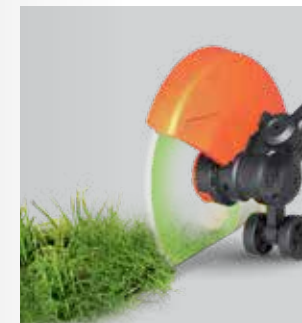

Power up with dual 20V Max Power Share batteries for 40V total power and performance with the WORX 13" cordless grass trimmer and wheeled edger. Switch from trimming to in-line wheeled edging in seconds. The Command Feed™ spool system offers instant line feeding at the touch of a button. Adjustable d-grip handle enables smooth, comfortable trimming while the pivoting cutting head allows for trimming hills or sloped terrain.

FEATURES

COMMAND FEED™

It's impossible to trim grass without string. Command Feed keeps you running with the push of a button.

WHEELED VERSATILITY

From trimmer to edger in seconds, literally. Rubberized wheel sets mean, clean, professional-looking lines, every time.

BLOWERS & MULCHERS

Plenty of power to make clean-up a breeze.

The lightweight and efficient line of blowers and mulchers from WORX make it easy to keep your yard and outdoor living space free of debris. Our cordless options let you go wherever the work takes you, meaning your patio, driveway, garage, you name it. Choose the model that best meets your needs and add our helpful accessories for more clean-up capabilities.

TRIVAC™

12 Amp Blower/Mulcher/Vac

3 tools-in-one, theWORX TRIVAC 2.0 converts between functions with just the turn of a knob. The patented motor rotates from a blower to a vacuum with mulching. Air siphon design provides high-capacity air volume and extreme suction.

FEATURES

TWO MODES

A super-sized tube and in-line fan deliver a powerful air stream in blower mode. Flip the motor and get maximum results with the mulch/vac mode.

LARGE BAG CAPACITY

Do more in less time! With an overall capacity of 1.2 bushels and quick release clip, the TRIVAC collection bag makes cleanup easier.

HEDGE TRIMMERS

Convenient. Comfortable. Cost-effective.

A well-manicured lawn is the goal of every DIY landscaper. WORX hedge trimmers make those pristine hedges easier to achieve. Lightweight and ergonomic, our cordless and electric trimmers let you stay in control and deliver intricate cuts. Shapely shrubbery awaits.

40V 24" Hedge Trimmer

The WORX 24" hedge trimmer combines two 20V batteries to deliver 40V Power and Performance. Whether it's used for shaping tasks or topiary sculpting, the 3/4" cutting capacity, has plenty of power to get the job done. A clear-view, hi-impact hand guard angled in front of the handle provides protection and helps deflect debris.

FEATURES

THICK CUTTING CAPACITY

Thicker twigs and branches are no match for the increased cutting capacity of over 9/16" found on our 20V trimmer.

ROTATING HANDLE

Quick trigger rotating cutting head allows for easy cutting in any direction.

CHAINSAWS

**More features + Less mess =
A cut above the rest.**

WORX chainsaws really deliver. Fast, clean cuts? Yes, thanks to the combination of a powerful motor, high torque and high chain speed. Safety? You bet – our super-fast chain brake and steel bumper spikes maintain control. And auto tension plus auto lubrication make WORX the easiest chainsaw out there.

40V 14" Chainsaw

Power up with dual 20V Max Power Share batteries for 40V total power and performance with the WORX 14" cordless chainsaw. Auto-tension chain tightening system for the most efficient cuts. Auto-lubrication system and brushless motor designed for longer life cycle than traditional chainsaws.

FEATURES

LARGE CUTTING DIAMETER

Whether felling a tree or cutting logs for a fire, the 16" bar and overmold soft grip handle give you ultimate control.

HYDROSHOT™

Portable Power Cleaner

It's the first truly portable power cleaning tool. Use a small amount of water to quickly and easily clean and maintain your outdoor spaces. Hydroshot connects to any garden hose, or draw from any fresh water source like a bucket, your pool, even the lake. The lance attachment makes sure water goes where you want it, not on you.

40V Portable Power Cleaner

This portable WORX Hydroshot Power Cleaner combines two 20V batteries to deliver 40V Power and Performance. The first-of-its-kind cleaning tool able to draw from any fresh water source for on-the-go usage that easily removes dirt, dust and grime. Dual operation modes allow for remote watering capabilities and converts to a power cleaner delivering up to 450psi.

FEATURES

4-IN-1 NOZZLE

4-in-1 Pressure Nozzle lets you choose from four different spray angles, 0°, 15°, 25°, 40° and rotates for vertical or horizontal spray patterns.

CONNECTS TO ANY FRESH WATER SOURCE

The Hydroshot uses whatever fresh water source you have available – so grab your bucket and get your clean on.

AEROCART®

The 8-in-1 All-Purpose Carrier

Not your father's wheelbarrow, the Aerocart takes "multi-use" to new levels. Lift heavy loads with ease thanks to the oversized wheels. Full adaptability and the included accessories let you lift and carry large potted plants, boulders and more.

WG050

SPECIFICATIONS

Wheelbarrow weight capacity	300 lbs
Wheelbarrow volume capacity	~3 ft³
Dolly load capacity	300 lbs
Cart weight	38 lbs
Warranty	3 years

FEATURES

- Highly versatile lifting and moving work system instantly converts from wheelbarrow to dolly and more
- Patented design adjusts center of gravity for a balanced and easy-to-manage load
- Flat-free tires never need inflating
- Also works as an extended dolly, flower pot mover, rock mover, trailer mover, bag holder and cylinder holder

INCLUDED ACCESSORIES

	1 Cylinder Holder
	1 Bag Holder
	1 Plant Mover Strap
	1 Mesh Rock Mover

ADDITIONAL ACCESSORIES

	Wagon Kit No tools are needed to quickly convert your Aerocart into a wagon or garden cart. Use the included seat as a comfortable resting place.	WA0228
	Snowplow Attachment Become everyone's favorite neighbor during winter. The snowplow attachment adjusts to 3 different heights and is durable for extended use, thanks to a galvanized steel wear strip to prevent rust.	WA0230
	Firewood Carrier Haul wood without splinters or getting dirty. The heavy-duty steel frame and dual canvas construction contains large and bulky items, then folds flat for easy storage.	WA0232
	Tub Organizer Cater to your passion for organization with adjustable compartments to neatly transport items. The hook and loop straps connect through the cart's handles so nothing slides out of the tub.	WA0234
	Universal Tool Holders Conveniently attach tools to your Aerocart or any standard wheelbarrow. Ideal for attaching and transporting your rake, shovel or other gardening tools.	WA0235

STABLE

Collapsible support legs are there when you need them.

FLAT-FREE TIRES

Never deal with a flat tire again.

DRILLS & DRIVERS

Don't just "do it yourself."
Do it with WORX.

There's something so satisfying about grabbing your trusty tool and finishing a project. WORX drills and drivers use leading-edge technology that makes it easier to build, to fix, to make things better. Grab yours and get going.

SD
SEMIAUTOMATIC
DRIVER™ WITH
SCREW HOLDER

4V Hand-held Screwdriver with Screwholder

The WORX Semi Automatic Driver with Screw Holder is the most convenient cordless screwdriver ever. Bits are stored directly on the tool, so they are never lost. When a project comes up, the slide-action advances to the correct bit instantly.

WX255L

CORDLESS	
SPECIFICATIONS	
Voltage*	4V
No-load speed	230 rpm
Max torque	27 in-lbs
Chuck size	1/4" Hex
Charge time (approx.)	5 hrs
Charge life on shelf	up to 18 months
Machine weight	1.1 lbs
FEATURES	
LED light for improved visibility and safety	

SWITCH BETWEEN BITS

Includes a rapid reloadable cartridge that houses 6 common screw driving bits.

HANDS-FREE

Screwholder attachment holds screws in place, freeing you up for extended reach.

SAWS & MULTI-TOOLS

Precise. Powerful. Productive.

When your big projects demand precision cuts and the flexibility to perform quickly, choose from the wide selection of WORX saws and oscillating multi-tools. Innovative features help you tackle multiple tasks with the same tool and keep your workplace safe and clean in the process.

EXACTRACK™

20V Cordless 6-1/2" Circular Saw

Exactrack is the first circular saw that makes straight cuts easy. Its patented split shoe design allows the blade to sit flush against the track for increased visibility and cutting accuracy. Exactrack also saves time and money by sharing batteries as part of the 20V Power Share platform.

WX530L	
CORDLESS	
20V Power Share™	•

WORKSHOP

Precise. Powerful. Productive.

These are the offensive linemen of our team, working hard in the trenches so superstars like the Axis and Switchdriver get all the glory. Holding stuff in place, supporting weight, shining light on work areas - all unsung tasks, but without them projects wouldn't be nearly as successful. So cheers to them.

PEG/SUS™

Multi-function Worktable/Sawhorse		WX051
SPECIFICATIONS		
Table size		31" x 25"
Working height		32"
Fold size		35-1/2" x 25-3/4" x 6"
Max clamping width		18-1/2"
Product weight		25 lbs
Weight capacity open table		300 lbs
Weight capacity sawhorse mode		1000 lbs
FEATURES		
Includes 2 quick clamps and 4 clamp dogs		
Operates as 300 lb work table or 1000 lb capacity sawhorse		
Compact design for effortless transport and storage		

SIDEKICK™

Portable Work Table		WX066
SPECIFICATIONS		
Weight capacity		300 lbs
Working height		32"
Table size		24" x 24"
Weight		13.6 lbs
FEATURES		
Use included clamp dogs to conveniently secure a variety of materials		
Designed for easy transport – quick set-up, pick up and go		
Link Locks connect multiple Sidekick tables to expand work area		
Use durable table top separately for extra adaptability		

JAWHORSE®

Portable Work Support Station		WX060.1
SPECIFICATIONS		
Clamping range		0-34.5"
Maximum Clamping Force		1 Metric Ton
Clamp Method		Foot Pedal
Maximum Load		440 lbs
Machine Weight		36 lbs
FEATURES		
Delivers over 1 ton of maximum clamping force		
Heavy duty all-steel construction provides rigidity and strength for the toughest job demands		
Hands free locking, thanks to foot pedal lever which creates extreme clamping force		

Clamping Sawhorses		WX065
SPECIFICATIONS		
Maximum weight capacity		1000 lbs / pair
Minimum clamping width		18-1/2"
Working sawhorse dimensions		32" H x 27" W x 15" D
Folded sawhorse dimensions		32-1/2" H x 27" W x 2-1/2" D
FEATURES		
Includes 2 quick clamps		
Lightweight and easy to carry		
Folds for compact storage		
27" wide sawhorses stand at a comfortable 32" working height		

Zippered Tool Bags WA0076 WA0079

SPECIFICATIONS		
Length, width, height	14.6" x 9" 8.75"	21" x 14" 12"
Interior pockets	•	•
Exterior pockets	•	•
Warranty	1 year	1 year

- FEATURES**
- Made of heavy duty nylon with zipped closure to ensure durability
 - Twin carry handles with metal rivets to help support additional weight

SANDECK™

20V Multipurpose Sander

A 5-in-1 Multi-Sander that does the job of a random orbit, finishing, and detail sander in one tool. It includes finger and contour attachments for getting into tight corners. The Hyperlock™ clamping system lets you change out sanding pads without having to grab another tool, and always keeps the pad secure.

Storage Step Stools WA4214

SPECIFICATIONS	
Standing weight capacity	324 lbs
Storage weight capacity	29 lbs
Step height	13"

WX820L

CORDLESS	
20V Power Share™	•
Tool only model no.	WX820L.9
SPECIFICATIONS	
Voltage*	20V
Battery quantity/capacity	1/2.0 Ah
No load speed	4000-10000/min
Orbit diameter	3/32" RO, 1/16" Finish detail
Charge time	5 hr
Machine weight (without battery)	3.3 lbs

5 SANDERS, ONE SMOOTH TOOL

Does the job of 5 sanders. Includes random orbit, finishing, detail, finger and contour attachments.

QUICK PAD CHANGES, NO DOWNTIME

The Hyperlock™ clamping system makes changing sanding pads easy and secure.
