

BK ELITE CLEAN

Prompt. Precision. Perfection.

CONSTRUCTION CLEAN

We transform construction sites into clean, safe and ready-to-use spaces.

ROUGH CLEAN (DURING OR AFTER BUILD PHASE)

- Remove construction debris, rubbish & packing materials
- Sweep & vacuum floors, corners & skirting boards
- Remove stickers, protective films & labels from glass, fixtures & appliances
- Wipe down rough dust & dirt from all accessible surfaces
- Clean out cabinetry & shelving of dust & debris
- Remove paint splatter & grout haze

FINAL DETAILED CLEAN (HANDOVER READY)

ALL ROOMS

- Dust & wipe all surfaces, including skirting boards, doors, architraves & ledges
- Clean light fixtures, switches & power points
- Wipe down walls (spot clean)
- Clean & polish internal windows, sills & tracks
- Vacuum & mop floors thoroughly using industrial-grade products
- Remove any remaining builder's dust or fine residue

WINDOWS & DOORS

- Clean interior glass, frames & tracks
- Remove builder's dust, paint overspray & stickers

KITCHENS

- Deep clean & polish countertops, splashbacks & sinks
- Clean inside & outside of all cabinets & drawers
- Clean & polish appliances
- Degrease rangehood, stovetop & oven

BATHROOMS

- Deep clean all tiles, grout, vanities & mirrors
- Remove construction dust & polish all fixtures & tapware
- Clean & disinfect toilets, basins, showers & bathtubs
- Ensure no paint or debris remains on fittings or surfaces

GARAGE / EXTERNAL AREAS

- Sweep & clean garage floors
- Remove debris from driveways, entryways, and balconies

OPTIONAL EXTRAS

- Exterior window washing
- Pressure cleaning of outdoor surfaces
- Professional carpet steam cleaning
- Disinfection or final sanitation

CONSTRUCTION CLEAN. IMMACULATE RESULTS.

From rough clean to final shine, we handle every detail.
