The Yard-COVID Policy

As we navigate thru the COVID pandemic and the governor guidelines over the next few months, please be cognizant of the following procedures and guidelines at The Yard.

- Mask must be worn at all times!
- All players need to attempt to social distance while not in the cages.
- No parents allowed in facility during practice.

Reminder: Players are prohibited from entering the storage area and must stay in their designated areas.

CBC COVID Policy

2020 has been a very different year for all of us. Covid-19 has changed our lives and the way we go about our daily life. As a baseball club, our utmost importance is your family's safety. Therefore, we have implemented COVID guidelines, along with many of the venues our teams play and practice. Below are some that as a club we must abide by while attempting to play, train and teach your kids on the baseball field.

- All spectators wear masks.
- Facilities have a strict capacity size.
- Temperature checks upon entering a facility.
- Hand sanitizer available for all players and spectators.
- No sharing of equipment.
- No handshakes after a game.

These are just a few that have been implemented. We ask each parent, player and family member to abide by any facilities COVID-19 procedures ask everyone to respect each other and those facilities that are welcoming our teams during these tough times.
