

SELF-TAPE SUBMISSION OPTIONS

When sending your audition, please ensure the file is accessible without passwords or extra logins.

PREFERRED OPTIONS:

WeTransfer – Easy to upload, generates a link, no account needed

Google Drive – Share with “Anyone with the link can view”

Dropbox – Direct link with open access

Private / Unlisted YouTube Link – Upload and set video to *Unlisted* (not Public, not Private). Share the link in your email

Vimeo Link – Upload and set video to *Password-Protected* if preferred (include the password in your email)

NOT RECOMMENDED:

- Emailing video files as attachments (often too large, risk of bounce)
- Links that require sign-in, accounts or special permissions
