

A valuable loan option for the self-employed

ASK ME ABOUT BANK STATEMENT LOANS

Applying for a mortgage can often be easy if you're a self-employed borrower. You may not even have to gather income documents. With Bank Statement loans, entrepreneurs like you simply have to provide bank statements to qualify.

- Loans up to \$3.5M
- Min FICO credit score of 620
- No mortgage insurance required
- Available on primary, second home and investment properties
- As little as 6 months' reserves required

Let me show you just how easy and affordable finding the home of your dreams can be. Call to find out more!
