## 2023 HYBRID ELDER CARE SYMPOSIUM

Dear Professional Partners:

Rothkoff Law Group has exciting news! Our 6th Annual Elder Care Symposium, Innovations in Elder Care, will be hybrid this year! Our Virtual Symposium will take place on Thursday, October 19, 2023, from 8:30 a.m. through 4:30 p.m at CYTO|PHL: 1001 Conshohocken State Road, West Conshohocken, PA 19428.

Our Hybrid Symposium utilizes amazing technology that allows vendors to participate virtually with a limited supply of exhibitor booths to have the look and feel of an in-person conference as well as hosting the larger portion of our vendors live and in person to directly engage with our audience. It enables us to line up a roster of leading global, national, and local experts in the field of elder care. They will be able to share their insights, examine the current healthcare system for seniors, and address how they have been changed for the better.

As we continue to evolve with the changing times, we have added this Hybrid option to keep our attendees engaged with the bountiful information offered at our annual Symposiums whether they can attend in person or virtually. The in person portion of this event offers an opportunity to network with all ticket holders, speakers, sponsors, and exhibitors involved.

Check out the Sponsor Grid to see how you can increase awareness about your organization at the Symposium this year!

Very truly yours,

Jerold E. Rothkoff, Esquire

Bryan J. Adler, Esquire, CELA
