

King Canna Cup

Entry Guide

Eugene, OR 2018

Event Date: June 23rd, 2018

Registration Begins: March 15th

Registration Ends: May 23rd

The first annual Budfest Eugene brings some of the top cannabis cultivators and producers together to celebrate the industry and compete among one another. The competition will focus on 12 main categories with a winner and runner up awarded in each. The winner from each category will then be considered for best in show and the King Canna Cup.

Competition Categories

1. Best Hybrid Flower
2. Best Sativa Flower
3. Best Indica Flower
4. Best CBD Flower (10% minimum CBD)
5. Best Homegrown Flower
6. Best THC Edible
7. Best CBD Edible
8. Best Topical
9. Best Live Resin Concentrate
10. Best Shatter/Wax Concentrate
11. Best Solventless Concentrate
12. Best CBD Concentrate (20% minimum CBD)

If you wish to enter a product the price per entry is \$250. This fee includes a post event judges report and two complementary memberships to Budfest. Membership benefits include entrance to the BudFest Eugene 2018: Summer Kick-off event where winners of the King Canna Cup competition will be announced.

BudFest will be awarding the winner and runner up in each category a unique BudFest Eugene functional glass art trophy at the event. In addition, the best in show winner will win the King Canna Cup and receive two tickets to Maui!

This is be an amazing opportunity to get public recognition for your product in front of hundreds of individuals from the industry and consumers from around the state and beyond. Winners will be featured in post event marketing online and in print ads with local publications, as well as pre-marketing for future BudFest events.

Step 1: Registering Your Entry

Go to <https://budfesteugene.com/king-canna-cup> and complete the online submission form. Registration begins March 15th. The last day to officially enter your product and pay the corresponding fee is May 23rd @5pm.

You may enter multiple products throughout different categories. The fee and entry process is the same per product.

Once registered a Budfest representative will contact you within 48 hours with further instructions to submit your entry and an invoice with payment options.

Step 2: Payment

Entry payment is due within 3 days registering an entry. Entries will not be accepted until payment is made in full. If you fail to submit products by the last manifest day, Budfest will not refund your entry fee.

You are able to pay your entry fee four different ways.

1. **Paypal:** A PayPal link is embedded into the submission form so payments can be made easily when registering entries.
2. **Credit Card:** A member of the Budfest team will send a credit card authorization form if desired. Payments will be processed once the credit card authorization form is returned.
3. **Cash:** Payments will be accepted only after confirmation from Budfest and arrangements made for drop off.
4. **Check:** Please contact us if you need to pay by check and special arrangements will be made.

Step 3: Manifest Your Product

- **1st Drop Off:** May 8th / 1pm - 8pm
- **2nd Drop Off:** May 15th / 1pm - 8pm
- **3rd Drop Off:** May 22nd / 1pm - 8pm

Manifest Location:

GlassRoots is located at
980 W 5th Ave Eugene, OR 97402
on the corner of 5th & Blair
in the Whiteaker neighborhood

Flower: 6 grams of flower should be individually submitted in ziplock bags, each with one gram. All individual bags need to be consolidated in one large bag.

When you drop off your entry please label the large entry bag with **Budfest Entry**, your company name, category entered, product/strain name and have valid lab report attached. If you have multiple entries repeat this process for each one.

Concentrate: 6x 0.5 gram samples (3 grams total) should be individually packaged in an unbranded container of your choice (ie: pucks, cartridges, syringe, parchment). All individual containers need to be consolidated in one large bag.

When you drop off your entry please label the large entry bag with **Budfest Entry**, your company name, category entered, product/strain name and have valid lab report attached. If you have multiple entries repeat this process for each one.

Topicals & Edibles: 6 units of each entry need to be submitted in retail packaging. Packaging is apart of the judging process for these categories. All individual units need to be consolidated in one large bag. If there are any specific storage instructions for the entry please give instructions.

When you drop off your entry please label the large entry bag with **Budfest Entry**, your company name, category entered, product/strain name and have valid lab report attached. If you have multiple entries repeat this process for each one.

Lab Test: All entries are required to submit a recent test when they drop off at the manifest location. Tests may be within one calendar year of the date of submission. Each category needs to have the following lab results.

Flower: Terpenes, Potency, Pesticides

Concentrate: Terpenes, Potency, Pesticides, Residual Solvent, Cannabinoid

Topical & Edible: Potency

*If you fail your pesticide testing, you will be automatically disqualified from the competition

Budfest Judging Process

Budfest worked hard on creating a diverse and knowledgeable judging panel of individuals that come deep from inside the cannabis industry. Look forward to our final judge announcements coming soon. Bios will be released on the BudFest site. Judges will have 2 weeks to evaluate the entries.

Budfest runs a blind competition. Each entry (excluding topicals/edibles) will be blind labeled with an internal code before given to our judges. None of the judges are allowed to enter any products.

Judging Criteria

Aroma: 1-10 points

Appearance: 1-10 points

Flavor/Taste: 1-10 Points

Judges will also give further quantitative feedback on each entry. While these categories will not have an associated score it will help the judges evaluate the entry and provide . Each producer will receive judging report on every entry after the Budfest completion.

Lab Scoring: Each category will have specific lab scoring system. All lab scoring will be done by a hand selected industry expert. The lab scoring results will be done blind and will account for 25% of the total score. This process will be separate from our judges panel. Once complete, the Budfest team will combine all final scores to get the winners.
