**Tournament Chairman Report:**

At this time the ponds will remain free drops - when the weather gets better and the course shapes up Tony will revisit this.

**Handicap Report:**

Tony reminded everyone that the new program for WHS (World Handicap System) begins in January. Expect Indexes to go up and strokes given to go down and **the changes are complicated** there is a good general article here

Expect NCGA to struggle with this in the coming months. More will be posted about this as the TC and Handicap chair work through the details, and the changes and more on how those changes directly impact us. Please take the time to read the article there is a lot to this.

None

**New Business:**

Joe Johnson has organizations that can use golf balls in good condition - they do not have to be new. Steve will post in a newsletter how to get them to Joe or what tournament to bring them to.

Jill Keene asked for a club swap day where after a tournament member could exchange/trade/sell gear they no longer use or want.

Steve Falzone stated that SKY WEST is closing in September and wanted to know if anyone had any membership connections there - it would be great to pull as many players from there as we could
