Rockin' on the Mon

MONONGAHELA AQUATORIUM

Aquatorium Innovations, an all-volunteer, 501C3 nonprofit based in Monongahela, Pa., manages the Monongahela Aquatorium, a city-owned public park used for concerts, festivals, and other community events.

Built in 1969 by Frank Irey, the Aquatorium boasts a rich history of hosting diverse events, ranging from Ringgold High School graduations to unforgettable performances by renowned artists like The Clarks, Joe Grusccky and the House Rockers, The Commonheart, and The Artimus Pyle Band, which is the last original member of Lynyrd Skynyrd. A truly unique venue, the Aquatorium can accommodate 5,200 fans in traditional bleacher seating and standing room areas, and river-loving fans can dock boats and enjoy musical acts from the Monongahela River.

Throughout the summer concert series, Fourth of July fireworks show, and fall Witch Festival, more than 20,000 visitors annually attend events at the Monongahela Aquatorium. We hope you'll join us in Rockin' on the Mon for our upcoming events!

MonAquatorium.com

"The Monongahela Aquatorium is excited to host its first ever Rockin' on the Mon RiverFest to kick off the 2024 concert season. Enjoy a variety of music June 21 & 22 while experiencing games, local vendors, food trucks, and more."
