SOCIAL MEDIA PACKAGE

Create a positive and lasting change.

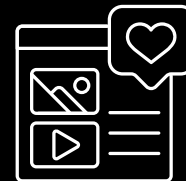

1. Access to your existing social media pages and an audit of your social media presence and recommendations for improvement

2. We will create content based on your company's goals and mission

3. Posts should be created according to your current focus.

4. Review and approval

5. Your 3 posts a week will start! We will send you a monthly email to show you what designs we have created for the month following, for which you will sign off. We appreciate any upcoming or unreleased news you may have. In addition, we would appreciate any photos you have taken that we can use in our posts for the month. Employees and people's posts always get the most engagement!

Set-up Timeframe - 4-6 weeks

Set up cost - £300

Monthly Subscription Cost - £500
