

WHAT IS THE NEDP?

National External Diploma Program

it is a flexible, competency-based high school diploma program that allows adults and out-of-school youth to earn a diploma by demonstrating what they know and can do through real-world, applied tasks rather than traditional classroom instruction.

Evaluates reading, writing, workforce readiness, and problem-solving skills through real-world tasks

Recognizes and builds on knowledge and skills gained through work, family, and life experience

Strengthens digital literacy skills needed for education and employment

Can be offered fully online, allowing participants to work from home or other convenient locations

Recognized by the U.S. Department of Education-funded DRAW project for its innovative approach to digital literacy
