FASO OFFICERS

April 2020

BILLY GUINIGUNDO

President

Dear FASO members,

PAOLO VILLARROYA

Vice President

I hope this message finds you well, or at least as well as can be expected, during this difficult time. When I last wrote less than a month ago, we were just beginning this journey of containing this terrible virus. Schools were ordered closed, non-essential activities were limited if not altogether eliminated, and we were left wondering, “What’s next?”

VANESSA TEODORO

Vice President

ROSALINDA MURO

Secretary

And while the question remains unanswered, I believe our response must involve doing our part. The Ohio Department of Health views taking care of others as an essential activity. We agree.

DALE DONA

Treasurer

RACHEL ROBERTS

PRO

Members of the Board are making phone calls to touch base with members past, present, and future. We want to remain connected despite our inability to gather physically. If you or someone you know needs assistance, please reach out.

RICHARD ROBLES

PRO External Relations

We are also working on our Maskara 2020 initiative. Based on the recently released Centers for Disease Control and Prevention recommendations, FASO volunteers are working to construct and distribute cloth face coverings. If you are interested in assisting, particularly for those who have the ability to sew and/or donate materials including fabric, please contact me at fasopresident@gmail.com for details on opportunities to help.

Please be safe during this time. Remember, we are in this situation together. Salamat po.

Sincerely,
Billy Guinigundo
