Jesus is the author of sanctification; but there are many looking in the wrong direction for it. It all comes from the same hand that was nailed to the cross; look to Him for sanctification - His name is Jesus for He saves from sin. Lean on Him, the beloved, all comes from Him. Go, then, to Jesus for all you need. When Jesus makes holy, it is by writing the Word in the heart: *Sanctify them through thy truth*. The Lord feeds the soul with the milk of the Word; it is just the breathings of God's heart - of His affectionate bosom. Oh yes, if you would walk much with Jesus, you would become like Him. You would get the heart and likeness of Jesus. Learn then, that there are no other means of sanctification...

You will get more knowledge in one hour with God than in all your life spent with man. You will get more holiness from immediate conversing with God than from all other means of grace put together.
