Old Business: Discussion was held in regards to the shed clean up day. Morgan and Stacy spoke prior to the meeting and have agreed to go down and clean up the shed as a majority of it is Santa Day and Playday items. If they decide they need help, they will reach out. Scott mentioned that Josh Nixon may have asked about holding a bullriding at the arena next spring, Morgan will reach out to Denna to see if she has heard anymore on this. It was discussed to have Josh come to a meeting and present to us.

New Business:

Christmas Parade was the first topic of discussion. Debbie will once again organize the Christmas Parade. She has flyers created, sign up forms for entries and has the Newell Christian Fellowship Community Hall reserved. They will hold a Chili and Soup Feed directly after. This will take place on December 12th at 6pm. Debbie stated that if anyone would be willing to bring a soup for the feed, it would be much appreciated. Santa will be her for the parade and feed!

Santa Day was discussed. Morgan will call City Hall to see if we can reserve the hall for December 13th. This will be held at 6pm and a taco bar will take place instead of spaghetti. Morgan will call Julie about ordering bikes, she will also call Denna to see what we had leftover from last year. Morgan will also post the flyer asking for cake walk items.

Festival of Trees was discussed in regards to donating a wreath again. Scott made a motion to approve spending up to $75 on a wreath, Stacy seconded the motion; all approved. Stacy has reached out to a friend who may make one for us at little to no cost, if she's unable then we will purchase one.

Stacy suggested that we maybe look into different clinics that we could host at the arena, such as roughstock, breakaway, goat tying, etc. Everyone agreed it would be a good idea. Stacy and Marci and Morgan will start reaching out to individuals who may be able to point us in the right direction.

Our next meeting will be held on Monday November 3rd at 6 pm at the Newell Ambulance Hall.

Meeting adjourned at 5:53 pm.
