Old Business:

Discussion about not having sponsors that are Alcohol, Tobacco and Drug as their primary sale, tabled for this year, will re-address after Labor Day.

New Business:

Charlee Bachman is working on getting the Newell Irrigator Booster Club up and running. She has asked if the Community Club would temporarily carry them under our 503c just until their non-profit status is obtained. She is currently in the process of getting everything completed, she's just not sure the amount of time it will take and does not want to hold up progress with the Booster Club. Committee agreed to carry the for up to one year, at which time if their status is not completed, we will revisit. Shannon made a motion to approve, Scott seconded, all approved.

Morgan discussed Playdays. Working on Sponsorships, some are rolling in. All the buckles were ready to be ordered and Morgan will get with Karen to place the order. **June 17th is chosen as the arena cleanup date at 5pm.**

Swimming Lessons are good to go and Shannon stated there were 52 kids signed up.

Cheyenne discussed the Queen contest and asked if the committee had any problems with her moving it all to before Labor Day. Committee agreed that she should do what works best for them and she is planning on doing it August 24th.

Next meeting is scheduled for June 24th, 6pm at Butte Electric.

Meeting adjourned at 6:55pm.
