

KLONDIKE SPORTSMEN'S CLUB

On behalf of the Klondike Sportsmen's Club, we would like to say, welcome! This is our 2025 'packet' of general information and rules which we provide with every membership purchased as not everyone is able to attend our meetings. Changes/additions from 2024 are in **bold face print**.

General: Our club address is: KSC - 338 W Main St - Coleman, WI 54112

Meetings are held monthly at the Klondike Saloon in Klondike at 6PM. It is usually the first Wednesday of the month. Meetings typically run an hour or less.

We have a FB page, 'Klondike Sportsmen's Club' which we use to post meetings, cancellations, club events, etc. We also have a website!!!! **WWW.KLONDIKESPORTSMENSClub.COM.**

The club provides membership discounts for members who help at club functions. The discount is \$5 for each function and can be redeemed when purchasing their next year's membership (up to \$10 off). **Discount cards will now be presented at each qualifying function.** Present/turn in your discount card when purchasing your membership.

Range Use:

A key to use the range can be picked up at Brazeau's Gun Shop (Coleman), Kudick Automotive (Coleman), Meatski's (Hwy 64 and Cty Z) and R Store gas station north of Pound.

Please do not litter and please pick up your shell casings.

To help us keep range membership costs down (lumber is sooo expensive) and repairs to the minimum, DO use the appropriate target for the gun you are firing. The target with all the tires is the ONLY target for shotgun use. Do not use shotguns on the other targets.

Hunters:

Please sign in/sign out at the hunting properties as we use this information for reporting purposes.

Wear your membership button.

Do not litter or leave dog waste in the parking/sign in areas. The land owners generously let us use their land, we do not want to lose this privilege.

As a courtesy to other hunters, once you've reached your bag limit discontinue hunting in order to afford others the opportunity to get out in the field.

Wisconsin bag limits do apply to club hunting properties.

Enjoy and Thank YOU!!!!
