=====

Continuing Business:

2026 Membership Button Contest

Lena Student Riley Kipp won our contest. She was presented with \$100 from the club and the Lena graphic arts department also received \$100. Congratulations Riley!

Elections

Unfortunately, I am navigating a family emergency and cannot be here tonight. I need to step down as President of the club as well as withdraw from the club to focus on what is most important. I want to thank everyone, members, banquet attendees and FB followers for the past three years. Together we've accomplished so much! We've grown our club, added many FB followers by our actions and involvement in the community, resumed our banquet, enhanced our member experience, etc. I had the best time working with you, reconnecting with old friends, making new ones and enjoying new experiences. Thank you and keep that momentum going!

Lucas Mayer will assume my duties as President immediately. A new VP needs to be determined.

Terry Brazeau's first term as a treasurer has concluded. He previously stated that he would consider being our treasurer for a second term. Carrie Brazeau would also like to be considered for the position.

Mitch Szwet would like to be elected as the club's secretary. We have been filling the role between and President and VP for three years. I really appreciate his willingness. He currently takes great care of our range.

2026 Continuing Education Scholarships

Currently the club has received a total of eight scholarship applications. Coleman, Lena and Oconto Falls. The deadline for this year's scholarships was March 31. Tonight we need to vote the winners for each school district.

Club Banquet April 10:

Banquet committee meeting was held on February 10. Committee will update us.

Kelly Lake Sportsman's Club Banquet May 4

KLSC will be hosting their spring banquet on May 4. We will donate \$200 to their banquet as they always donate \$200 to ours. With this donation, we receive one dinner ticket. Who would like to attend their banquet and represent the Klondike Sportsmen's Club?

New Business:

Turkey Shoot?

Last year a spring turkey shoot was discussed. Will we have one?

Any other new business/ideas/etc.?

Next meeting will be May 6th
