Continuing Business:

2026 Membership Button Contest

We received a question on FB regarding my post about the art contest. The person asked if students in the Gillett school district could enter the contest. I replied no, not at this time. Would we want to include Gillett in this contest? Get more communities involved in our club.

Entries will close at the end of this month. We will vote for the winning design at our next meeting so buttons can be produced in time for the banquet.

2025 Continuing Education Scholarships

Funds have been disbursed to the three winners from last year. I learned that they are all enjoying their time at college. I asked them to provide a short write up on their experiences. I will post on our FB page for all to enjoy as our followers are what make these scholarships possible. The deadline for this year's scholarships is March 31.

New Business:

Club Banquet April 10:

Banquet committee meeting was held on January 26. Committee will update us.

Elections

March will mark the end of our treasurer and secretary's terms. Terry Brazeau has said that he will run for a second term as Treasurer. I personally, am very grateful for the ideas he has presented in his first term such as investing in CDs, creating a separate checking account for the banquet and charge cards for the officers, are some of his improvements. If anyone else is interested in running for the position, please let me know.

KSC **DESPERATELY** needs a secretary. The club has not had one for three years. The President and Vice President have been working extra to take and record monthly minutes in addition to our usual duties. We just need someone to do this task at meetings. **PLEASE** consider and help your club.

Any other new business/ideas/etc.?

Next meeting will be March 4th
