=====

Review March's treasurer's report. Any changes? NOT AVAILABLE AT THIS TIME

1st motion to accept by:

2nd motion to accept by:

=====

Continuing Business:

KSC 2025 Banquet

Any updates from the committee? Have 61 sponsors so have added a Smith&Wesson pistol to the sponsor guns. Currently have 140 people attending.

New Business:

2025 Continuing Education Scholarships

The club is giving away three scholarships this year! Terre Radtke received applicants from the four schools but only Coleman, Oconto Falls and Suring met our criteria. The students that we will be awarding scholarships to are:

Coleman – Tyler Thomas Kostreva. Tyler will be attending UW Stevens Point in the fall majoring in Environmental Science Management – Agronomy. He wants to eventually own a business pertaining to the field, helping farmers in our community and the state of Wisconsin to better develop agricultural resources.

Oconto Falls – Miranda Metzler. Miranda plans to attend UW River Falls to pursue a degree in Horticulture, minoring in Ecology and Organismal Biology. She hopes to make a positive impact on the world by understanding how plants can enhance human life and benefit our environment.

Suring – Tess Losurdo. Tess will be either attending UW Green Bay or the University of Idaho, majoring in Environmental Sciences/Natural Resources with an emphasis in Fisheries Science. She wants to work for the state of Wisconsin or Idaho in one of the many fisheries career paths upon graduation.

Any other new business/ideas/etc.?

Give recognition to the trap clubs that are helping at the banquet.

Next Meeting

May 7 at the Klondike Saloon. 6PM.
