---

**Review September's meeting minutes.** Any changes? no

1<sup>st</sup> motion to accept by: John Gregory      2<sup>nd</sup> motion to accept by: Mitch Szwet

---

## Continuing Business:

### Peshtigo National Bank

President Terre went to the PNB to cash in our first CD which matured on September 24. She checked what their savings account interest rate was only 0.05. At Associated Bank we are currently earning 2.55 in our MM account. Terre took the CD money and deposited it into our MM account on October 1.

### Fall Adopt-A-Highway Trask Pickup

Can we pick a date for our last collection of the year? **Last pickup will be October 6, meeting at the 515 gas station at 5PM.**

### Chili Dump October 18

KSC will be putting on another Chili Dump on opening day of pheasant season. It continues to get better and better each year. Suring and Kelly Lake Clubs will be invited. Our drawing for the Premium Gun Raffle will take place that day as well. Just a few tickets left. **All tickets are sold. The dump begins at 12PM will raffle to follow. The guns were purchased for \$5300 giving the club a \$4700 profit. Thank you to everyone that worked on this!**

### First and Second Pheasant Releases

Lucas will update us with the dates. **The first two releases will be October 15 and 29. Chad will deliver the pheasants between 11AM and 12PM.**

### Range Free Site In

This year we have the first weekend, November 8 and 9. Looking for volunteer or volunteers to host. Volunteer(s) pick your time frame and the club will post it on FB and our website.

## KSC IS STILL SEEKING A CLUB SECRETARY.

## New Business:

### **Pheasant Boxes**

A member of the Lena Sportsmen's Club, which is now defunct, reached out to Terre Radtke asking if we wanted their old pheasant transport boxes. Yes, we are interested. Jeanne Lesperance accompanied and they returned with seven boxes. They are currently 48X21X12 in size. They need to be cut in half to make them lighter and more portable.

Rolling Hills is willing to take them back when they come for the pheasant drop off. This will save the volunteer, who goes to Rolling Hills for the last release, a trip to return the boxes. Need a place to store these in the off season. Does anyone have some available room? Can store outside as well covered with a tarp. **Richard and Maryann Clark volunteered to store them outside at their location in the off season. Thank you!**

### **Oconto County Sportsman's Alliance**

Meeting will be October 9<sup>th</sup>, 6PM at the Arrowhead Saloon in Suring. **Meeting will be held in Breed at the Arrowhead Saloon.**

### **Turkey Shoot**

Missed putting this on the September meeting agenda. This was brought up at the May meeting and deferred. Any interest in holding a turkey shoot? **Rich Brazeau volunteered to work on it as there is interest. Penny Rouse has knowledge of how we handled it in the past. We learned that it is a three weekend commitment to do the shoot. Thinking of having it at the old spot in Klondike. Possibly having it in the spring. We would talk about it at the banquet.**

### **Any other new business/ideas/etc.?**

The question was asked about collecting donated hides again during the 2025 gun and muzzle loading seasons. Answer was a big and resounding yes.

### **Next meeting will be November 5<sup>th</sup>.**
