

**MOTIVO MEETS TODAY'S HOSPITALITY
AND RESTAURANT CHALLENGES:**
Stylish seating products that are easy to disinfect.

Motivo Furniture has a selection of dining, lounge, and bar seating, with or without fabrics, that can be easily disinfected. Our product options in wood, metal, or polypropylene provide both comfort and fashion-forward design.

Motivo wood products, constructed in European beech, are finished in a conversion varnish. Motivo metal products are powder-coated finished.

Inherent properties of both materials:

- Moisture resistant
- Stain resistant
- Heat resistant
- Water resistant
- Scratch resistant

PRODUCT CLEANING: The conversion varnish on Motivo wood products and powder coating on metal legs and bases allows them to be cleaned with products containing alcohol, chemicals, ammonia, or bleach, provided that they are wiped down with mild soap and water within 2 hours of application. All of the frames shown may be cleaned with the following products:

- Mild soap and water
- Non-abrasive alcohol-based cleaning products (Isopropyl, Windex, Lysol, 409 Cleaner)
- Non-abrasive household chemicals including new non-abrasive organic disinfectants and wipes
- Non-abrasive cleaning products including small levels of ammonia and bleach at 5% or less parts to a gallon of water

ABOUT MOTIVO FURNITURE
