

SALES DRIIVN

Salesdriivn Intelligence

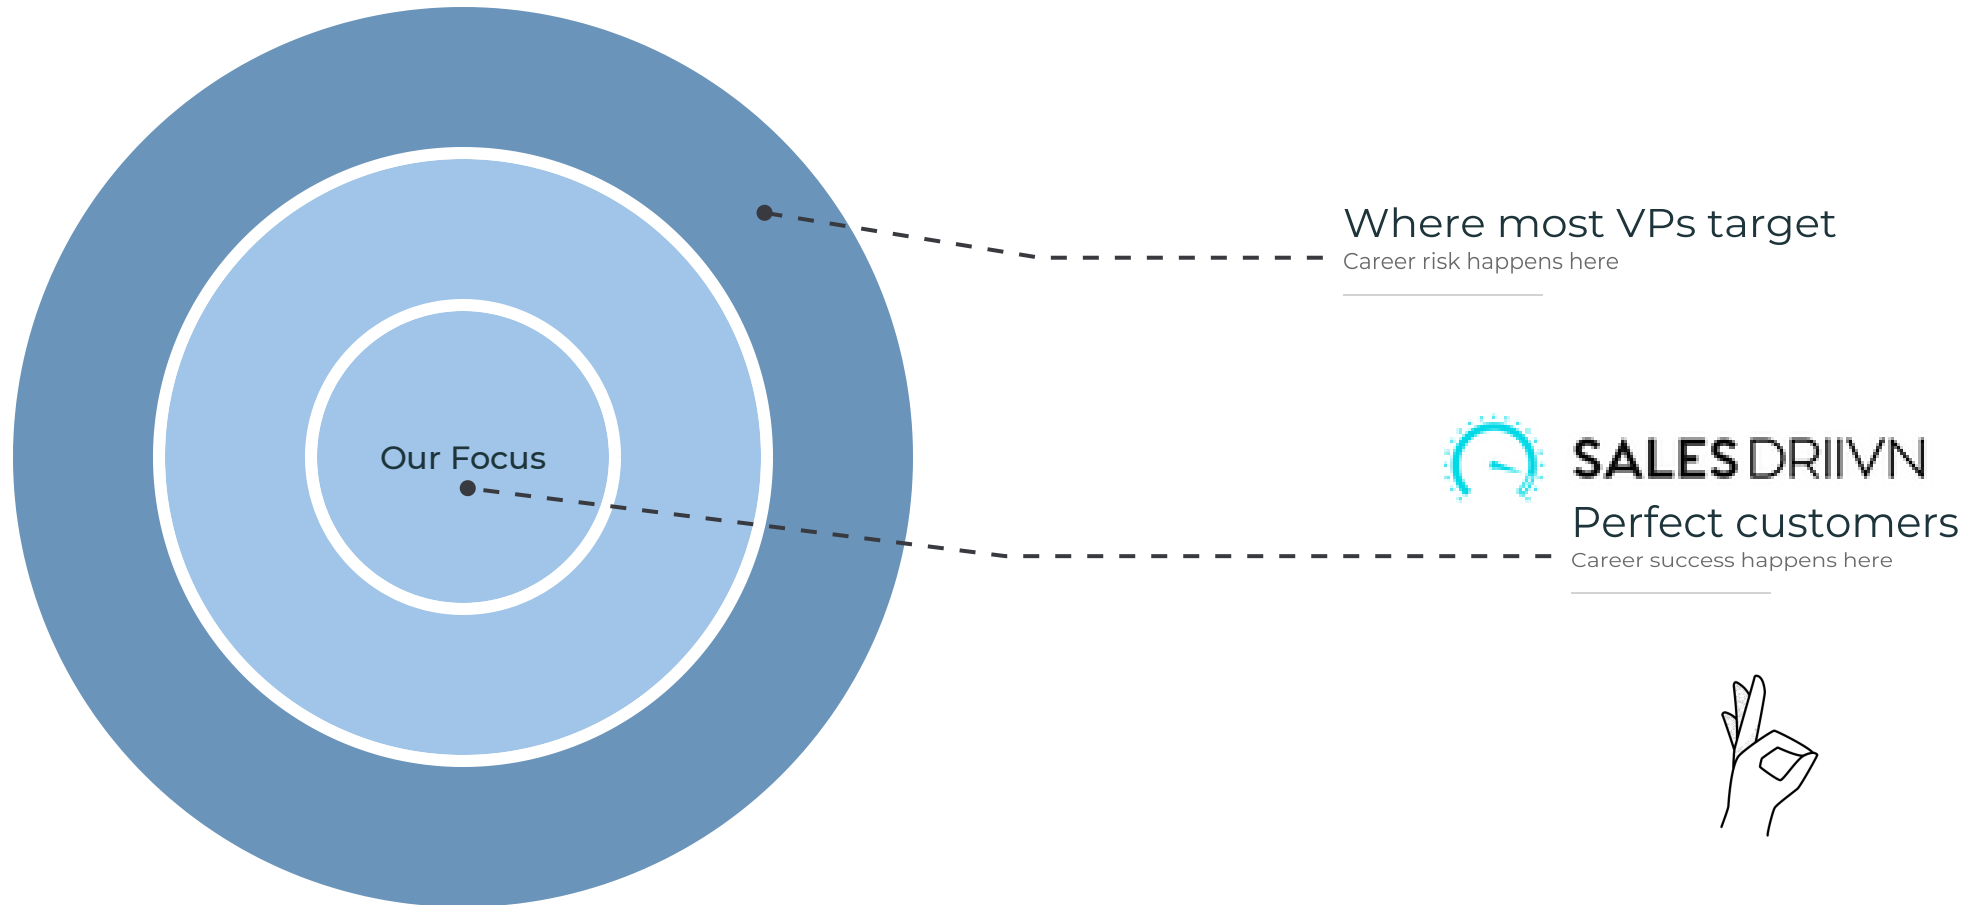

Execute Flawlessly with Outbound Excellence

Go-to-market execution is riddled with challenges

“Sales leaders average tenure in 2022 is 19 months.”

Most VPs struggle to get to “best fit” prospects at the right scale

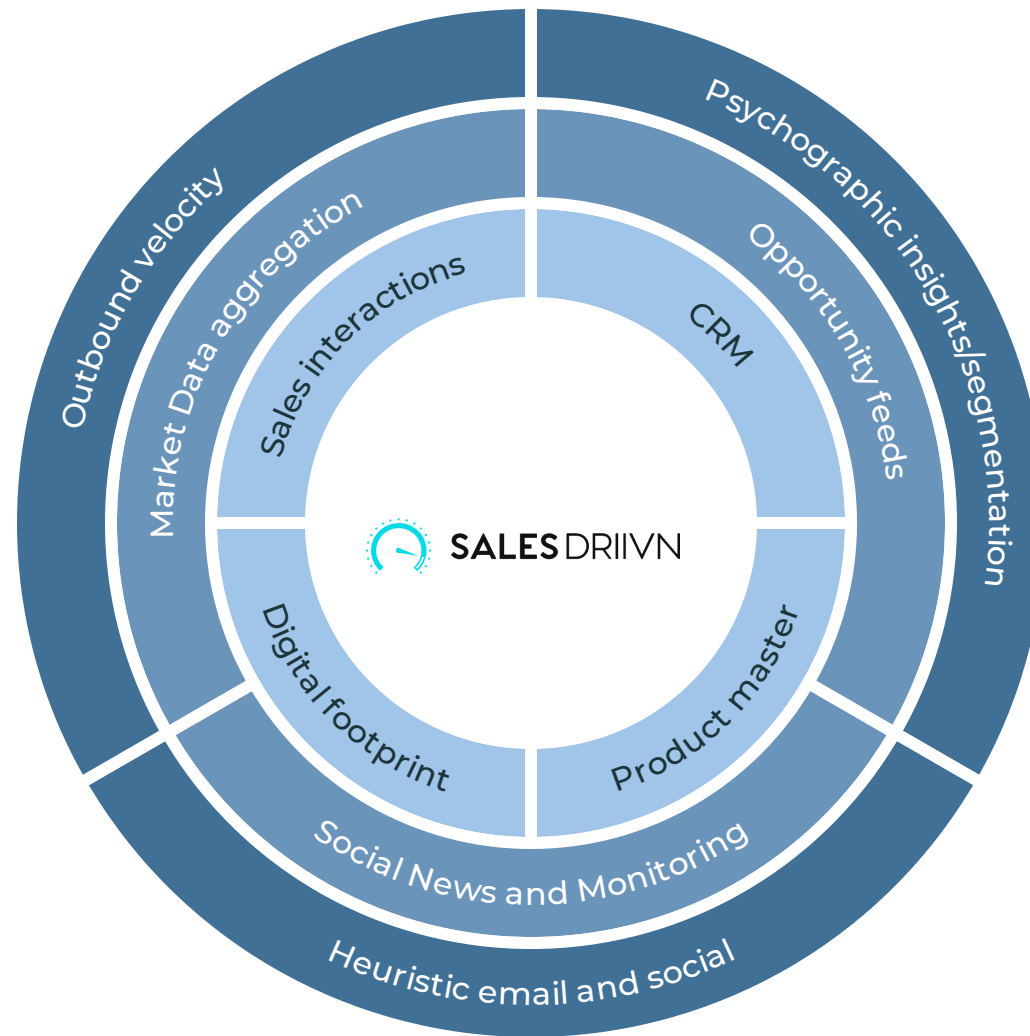

“

Eliminate **the uncertainty** in your go-to-market execution with a sales approach driven by science, technology and data leading to precise and repeatable results.

“I don't know what I did before—this has completely **transformed the way I target prospects and manage the data flows to find best fit, and durable customers.**”

GERRY HILL, RVP, CONNECTANDSELL

Sales Science: Internal data + External data + Superior segmentation and velocity = consistent and repeatable business outcomes

SalesDRIIVN has become an extension of our inside sales team. We have built a long term partnership to **drive consistent results towards our growth**

OLIVIA BUSHE, CHIEF EXECUTIVE OFFICER, FLOWFORMA

Build a robust and predictable pipeline

We **start conversations** with curious potential customers actively searching for **the problems your company can fix**

#1: Build relevant audiences

- ABM focus
- Improve match rates
- Stay ahead of competitors

#2: Prioritise outreach

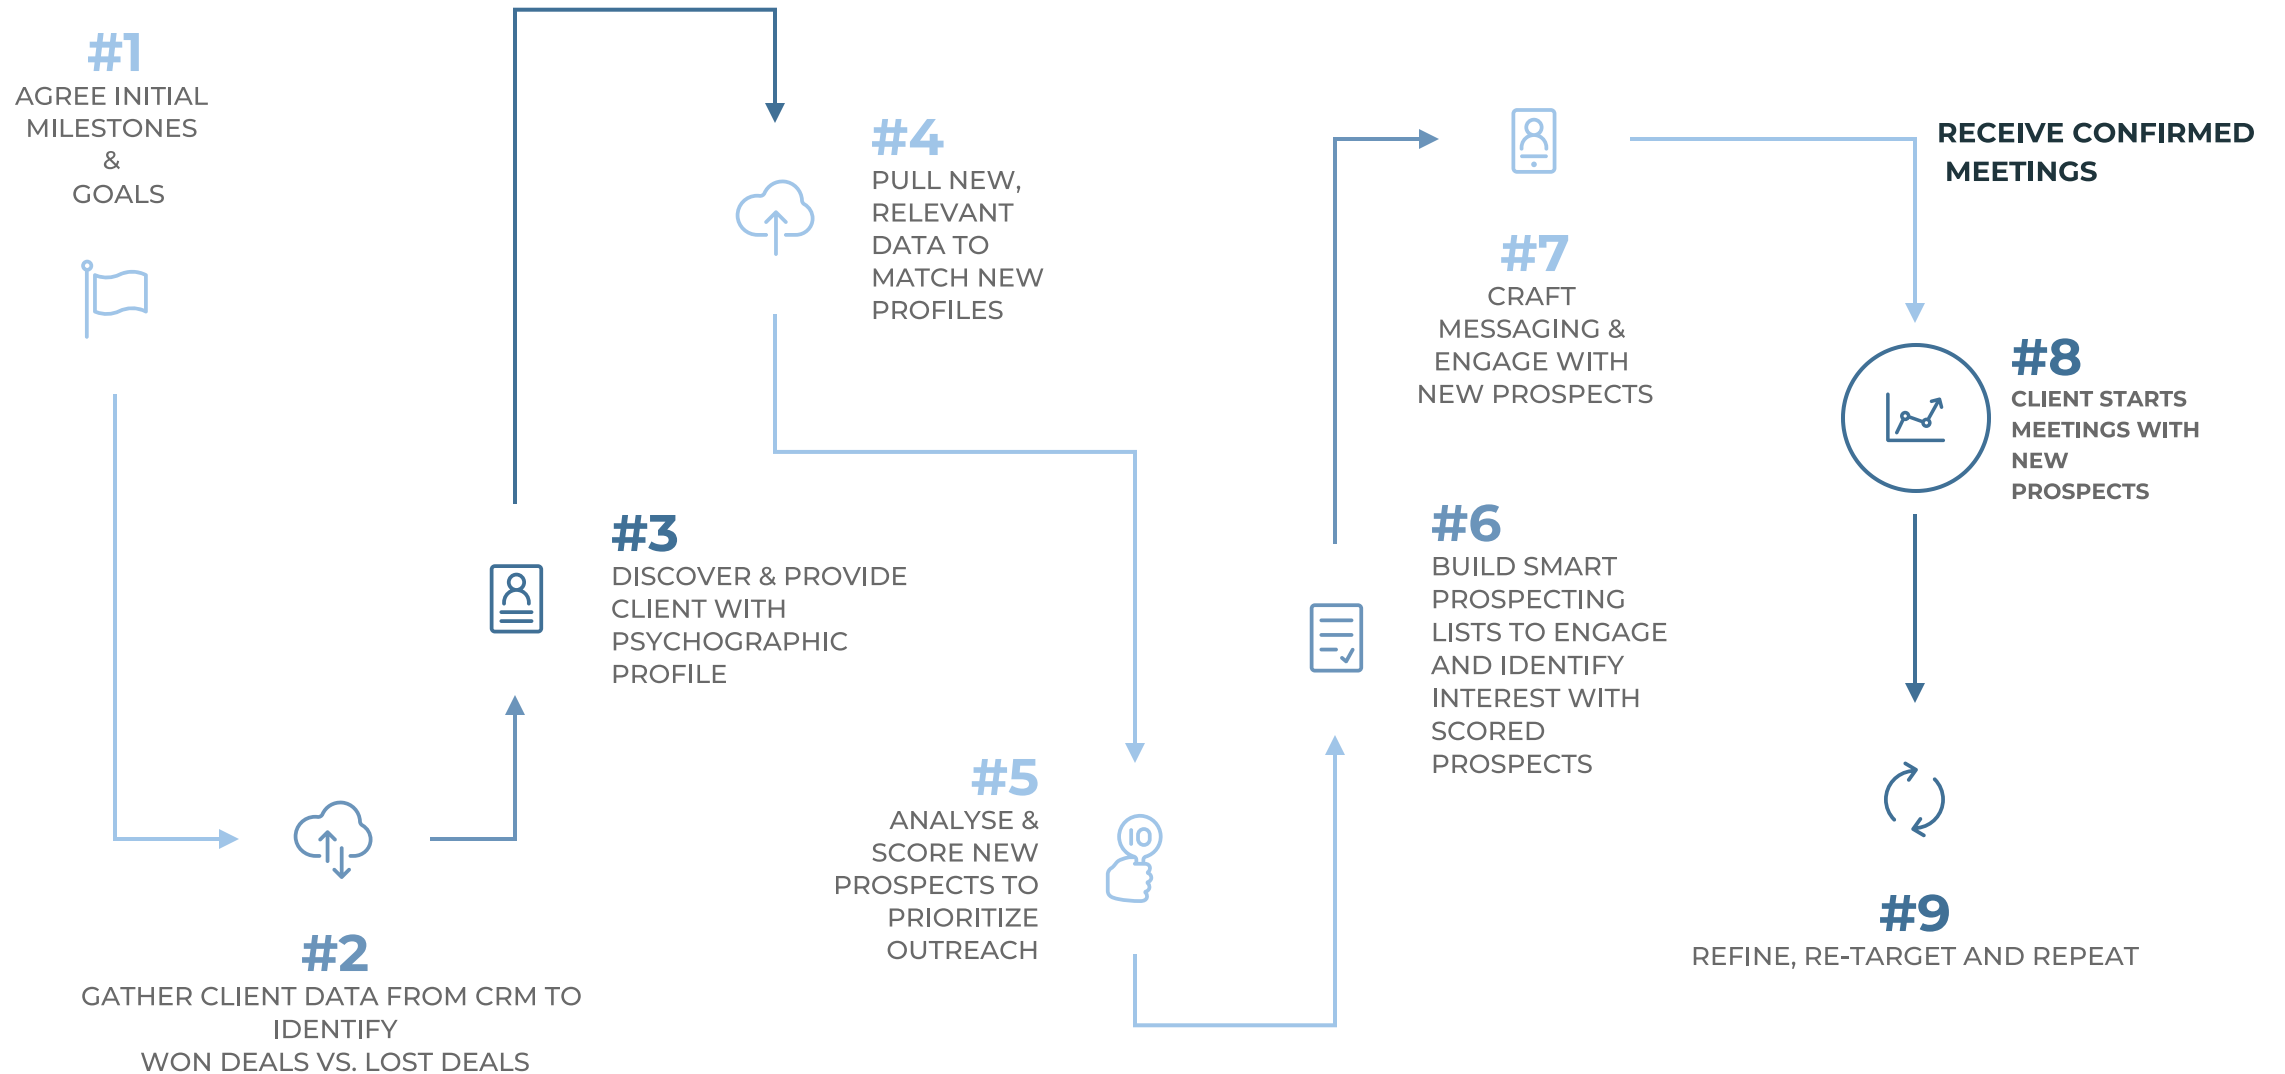

- Match your solution with companies that are actively exploring it
- Build informed nurture campaigns

#3: Drive Outbound Growth

- Sharpen outbound email campaigns
- Match your content with relevant interested prospects

Our Methodology

SalesDRIIVN generates huge amount of energy around identifying potential leads and generating a quality pipeline to bring us qualified meetings. **They use innovative processes, new technologies and have developed a science around lead generation to get the best results for the client. .**

KEVIN ROONEY, SENIOR MARKETING MANAGER, AGENOR TECHNOLOGY
