C2C HDC SQUARE

mla design

THIS IS GOOD FOR WASH CLOTHS

SUPPLIES

- for dish cloth use 1 (50 gr) ball of scrubby yarn for 2 (6" sqs) and 4mm hook
- for face wash cloth use any soft cotton yarn and appropriate hook for yarn weight

STITCHES in USA TERMS

ss - slip stitch

hdc - half double crochet

ch – chain

beg - beginning

" - inch

sq - square

FOR C2C RECTANGLE

When desired width is reached, decrease one side and continue increasing other side until desired length is reached

INSTRUCTIONS

1. ch 4, 3hdc in beg ch, turn (place marker in beg ch)
2. ch 4, (place marker around ch 4 just made), 3hdc in last 3 chains
3. ss into 1st ch sp of 1st block, ch2, 3hdc in this ch sp (place marker in ch 2 sp), Turn.

NOTE: IT IS HELPFUL TO PLACE A MARKER IN EACH CH 2 (or ch1) space

4. ch 4, (place marker in ch sp), 3hdc in next 3chs,
5. Repeat across to end of row : (ss in next ch 2 sp, ch2, 3hdc in same ch 2 sp).
Turn at end of row.
6. ch 4, sk 1 ch, hdc in each of next 3 ch.
7. Repeat steps 5 and 6 until your desired width (I made 6"-7" sq for dish cloth and 10"-12" sq for face wash cloth)

**YOU NOW HAVE A (6-12") RIGHT ANGLE TRIANGLE
EACH FOLLOWING ROW NEEDS TO DECREASE 1 BLOCK ON EACH SIDE**

1. slip stitch across the 1st block (3 ss)
2. ss into the next ch3 space and complete a block (3hdc)

3. complete the row as in step 5, turn
4. Repeat row 1 of decrease
5. Repeat decrease rows 3 and 4 until there are no more blocks to work

FINISH OFF

To make a hanging loop, sc foundation ch 7 (or as desired) and ss into corner
fasten off and weave in ends
