How to find an NHS dentist

You can find an NHS dentist that is convenient for you, near your home or school, and phone them to see if there are any NHS appointments available at the moment.

Dental surgeries will not always have the capacity to take on new NHS patients and you may have to join a waiting list.

Once you find a dental surgery, you may have to fill in a registration form. However, that does not mean you have guaranteed access to an NHS dental appointment in the future.
