Intent and Spirit:

The Intent and Spirit of High Power Shooting is to utilize "*As-Issued military rifles that were or could have been carried by military personnel in combat operations.*" These matches honor "*those who served*" and carried these rifles while on military duty. These matches also strive to preserve the traditions of military marksmanship. The intent and spirit of CMP As-Issued Military Rifle Match rules is to provide modern target rifle competitions for competitors who use affordable, readily available, as-issued military rifles.
