

**Save with a 3-Month, Pre-Paid Commitment  
(Frequently Asked Questions)**

**How does this discount program work?**

First, choose the number of marketing hours needed for a 3-month period (30, 60, 90 hours). Next, pre-pay that amount. Then, start reaping the benefits of having an entire marketing department working for your business.

**Can I use hours anyway I choose?**

Absolutely.

**How do I find out my credit balance?**

At the end of every month, you receive a detailed statement of services that includes the time associated for each project. Monthly statements will include the remaining credit balance for the billing cycle.

**What happens to unused credit hours?**

All credit hours should be depleted *by the end of the 3-month billing cycle*. If credit hours cannot be depleted, they may be “rescued,” or rolled over, by signing a new 3-month commitment.

**What happens if I exceed my 30, 60, or 90 credit hour allotment?**

No worries. Any overage hours will be billed at the same rate of the plan you select (never a higher hourly rate). A separate invoice will be sent for overage hours only after all credit hours have been depleted (Net 10).

**When can I change my plan?**

Either at the end of a 3-month billing cycle, or when all hours have been depleted – whichever comes first. This approach allows you to scale up or down based on your exact business needs.
