Dear Parents,

As you know May 4 – 8, 2026 is EOG testing week. Please ensure your child is in attendance each day. The bulk of the testing will take place Tuesday, Wednesday and Thursday of that week. To ensure that each child has the best possible outcome we will be serving breakfast on Tuesday, Wednesday and Thursday. Science tells us that a good breakfast increases a child's attention span as well as their inductive and deductive reasoning capabilities.

**In order to provide this FREE breakfast, we have asked for monetary donations to help cover the cost. Our Donation Jar is located in the Lobby.**

Participation in the project is voluntary. A child getting breakfast is not dependent upon RCA receiving a donation from any family. We as a school have made a commitment to do this and believe that God will show us the way.

We understand that some parents/guardians may not wish to have their child receive this breakfast. There can be many reasons. Children can be on special diets, have food allergies or just not be morning eaters. You are the adult and the choice is yours.

For this reason, we are asking you to complete the permission slip that is attached and return it to your child's classroom teacher no later than Friday May 1, 2026.

Thank You and God Bless.

\_\_\_\_\_ (Student Name) has my permission to receive a free breakfast on May 5 – 7, 2026.

\_\_\_\_\_ Parent or Guardian.
