* 1 Memory Stick for Computer Work Back-Up.

NOTE: This is a minimum, basic list. Depending on class assignments additional materials may be required. For example chemistry and biology students will be required to purchase a lab coat and goggles.

Students are encouraged to purchase a quality "Day Planner" to effectively keep up with all classroom assignments. Organized students are successful students. The 2020-2021 school year brings with it the enactment of the "Zero Late Work" Policy. Any assignment not turned in on the due date will be given a ZERO. A good planner helps to avoid this.
