

2021-2022 Student Dress Code

Please realize that we have a wide variety of attitudes regarding personal appearance, but it is often necessary to set aside our individual desires for the good of the overall school family. We trust the following list of guidelines will clarify for students and Parent/Guardians the desire we have at RCA for our students to glorify the Lord in their dress and grooming. As you read through this list, please consider the three major principles that represent the spirit of the Dress Code: that students are to wear clothes that are modest, appropriate, and neat. It is the administration who interprets these three principles.

MODESTY can be defined as making sure our bodies are covered in such a way as to honor the Lord and not to offend and/or tempt those around us.

APPROPRIATENESS can be defined as wearing clothes that fit the occasion. In a school setting, appropriate clothes are those that do not hinder the educational process.

NEATNESS can be defined as a look that is clean with clothes that are proper fitting and in good repair.

DRESS CODE BOUNDARIES

Enforcement of the dress code starts before the student walks out of the house in the morning. Please STOP and check to make sure that these guidelines are followed before leaving home.

The Bible tells us that “man looks at the outward appearance, but the Lord looks at the heart.” (1 Samuel 16:7) God knows our spiritual condition by our hearts, but men can initially see only the physical body and how it is attired. God’s word declares that it is our responsibility to avoid that which might cause another person to stumble.

As such, the purpose of our Dress Code is twofold. The first intent is to honor the Lord Jesus Christ in the appearance of the students in modesty, appropriateness, and neatness. The second intent is to challenge students in learning accountability, discernment and willing obedience. (Hebrews 5:14, 1 Peter 2:13) We have sought to develop a standard of proper dress and general appearance for students that will: Reflect favorably on the Christian nature of our school; Reflect favorably on the whole student body; Enhance the educational process.
