

RCA Face Covering Policy

Face coverings are required for all Students, Parents, Visitors, Faculty and Staff (ages 2 and up). Please bring your own face coverings and wear them at all times. You may remove your face covering while actively eating or drinking, but you should be stationary and maintain appropriate physical distancing.

All face coverings (whether disposable or reusable) must:

- Be made with at least 2 layers of breathable material
- Fully cover the nose and mouth and secure under the chin
- Fit snugly but comfortably against the side of the face
- Be secured with ties or ear loops and allow the wearer to remain hands-free

At this time, based on guidance from health authorities, neck gaiters, open-chin triangle bandanas and face coverings containing valves, mesh material or holes of any kind are not acceptable face coverings.

Costume masks are also not considered appropriate and are prohibited from being worn. Remember that we are a Christian School. Please choose your mask appropriately. Masks that promote political parties or social movements are not considered appropriate for a school environment. Consider a face covering that supports your favorite sports team or church as a means of personal expression.

Students and Visitors deemed to be in compliance with this policy for the first time will be provided with a new disposable face covering free of charge. Future disposable face coverings will be provided at a charge of \$1.00 each

Please remember, the use of face coverings is not a substitute for physical distancing. When on campus please be considerate of others and avoid clustering or bunching.
