Dear RCA Families,

This weekend's weather is shaping up to be very problematic. Will it rain, snow or will we get ice? Truthfully only God knows. On this side of heaven, we can only guess and pray that we make the right decisions regarding you and your child's safety. One thing is for sure we are going to get something and I believe that something is going to impact school early next week.

We feel that based on the current forecast **school will be closed on Monday January 26, 2026**. If ice and snow persist, again for you and your child's safety we will not hesitate to take additional days, I would prepare for the worst.

We will not be publishing a lunch menu for the week of January 26 – 30, 2026 due to the uncertainty of the food supply chain. We will attempt to publish a school lunch menu when we know more about this storm and honestly the items that we can purchase. If we lose power we don't want to waste freezers and refrigerators full of food.

Should you have questions about additional days off please consult the following:

Our website at www.rockfishchristian.com

Our Rockfish Christian Academy facebook page

Or the WRAL TV5 Closings page.

As a note, some students may have been assigned work to complete in the event of a multiple day closure. Please ensure all work is completed and ready to turn in when we return.

Thanks, God Bless and Stay Safe,

Pastor Jim
