October 2025 Tuition Payments

Please stop by the office and make your October 2025 Tuition and August/September 2025 Service Payments at your earliest convenience. We sincerely apologize for the delay in billing.

Veterans Day Holiday

RCA will be closed on November 11, 2025 for Columbus Day.

Student Shot Records

If you did not submit a current copy of your child's immunization record with your enrollment packet please do so by the end of the month. We are required by law to report the immunization status of all students.

School Spirit Week

School Spirit Week is October 27 – 31, 2025. A flyer was sent home with your student on October 17th. Should you need an additional copy please see our website at www.rockfishchristian.com. Our students love to participate in this great event. Costumes can be simple and cost little to nothing. Just get creative. Spend some quality time with your kids and have a ball! Spirit Week culminates with a Fall picnic for the students. Hot lunch is NOT charged on this day so that all can participate. We have set up a donation jar at the school entrance. Please share the Lords Blessings to your family so that every student can share in his goodness.

Just a few Reminders

Students are allowed to have a reusable water bottle from home. Please, water only! We have had a problem with juices and sodas in the bottles. They spill and are sticky and generally just make a mess. Please, water only! Please monitor your student's lunch. We are seeing more and more HIGH SUGAR items in lunch boxes. Students need a well-balanced lunch to effectively participate in classroom activities. Packing a lunch is also expensive. Miss Donna provides an amazing, healthy and well-balanced lunch for \$5.50 per day (\$6.50 G7-G12). Please consider this healthy choice for your student.

Electronic Devices

Just a reminder, electronic devices to include cell phones, tablets, apple type watches and video game players are not allowed on campus. If a student is caught with a prohibited device, it will be confiscated and surrendered to the school office. Only a parent or guardian may retrieve it.

Please HELP us promote RCA

We need your help. Please follow us on Facebook and when you see a post from RCA please share the post with your friends (the official FB page for RCA has over 1000 friends, please be sure to like the proper page as we have been spoofed in the past). This will help tremendously in getting our message out.

Our Pre-School Has Openings

Please join us in welcoming our new pre-school teacher Miss Keyara Coppedge. We know the Lord has put her in the right place! Our amazing pre-school has openings for 2's, 3's and PK4's. Please help us by recommending this amazing program to your friends, neighbors and co-workers. Our rate for this program is just \$135.00 per week. Compare us to others. Jesus is in the HOUSE!

Money at School

Please do not send money to school with your child to pay daily for hot lunch. We do not have a mechanism in place to capture this cash transaction. Lunches are billed at the end of the month. The exception to this policy is your child's chapel tithe and Friday jeans money. These donations do have mechanisms in place to ensure accountability.

Proper School Attire

Please be sure your child is properly dressed for the days weather. Every morning, we pray, sing and worship outside. Proper attire is necessary to ensure the comfort of your child. Please also remember that Tuesdays are PE days. Students should wear tennis shoes. In the classroom students may wear navy blue crew (NOT Hoodies) sweatshirts or navy-blue sweaters. Any jacket may be worn to and from school and on the playground.
