**Please note:**

While all due care has been taken in compiling these liner tables, Dairymaster accepts no responsibility for the accuracy of the information presented. Incorrect Liner–Teat Cup combinations may lead to teat damage, and ultimately to increased mastitis and a deterioration of milk quality. If you are in doubt of Liner–Teat Cup compatibility, or have any questions about the suitability of a particular liner, then please do not hesitate to contact your Dairymaster representative for assistance.

**For assistance please call Dairymaster on 03 9768 2424 or email [sales@dairymaster.com.au](mailto:sales@dairymaster.com.au)**
