

August 2024

We are seeking your financial support in the Portland Council PTA Clothing Center effort to assist the many Portland Public Schools students who need clothing.

Last school year we helped nearly 1,100 students and look forward to assisting many more this year. With a goal to provide each student with two new pairs of jeans and five new pairs of underwear and socks, we rely on your caring and generosity. We have many schools that are overwhelmingly generous, but we need the help of everyone, so our students have the clothing and shoes to attend school with pride. We honor your continued support of this worthy program that since 1964 has helped our PPS students. As you set your budgets for the coming year, please think of the Clothing Center. At one time or another, every Portland school has had students use our service – and we turn no student away. Any amount is welcome; none is too small! Personal monetary donations are also welcome and are fully tax deductible (a receipt will be sent to any donor), so please consider the PTA Clothing Center when giving. *If your school missed giving last year, please consider doubling up this year. We want to be able to assist all the students that come to receive clothing and shoes.*

Finally, please remember that the Clothing Center staff is all volunteers – and that means you. Please review the Clothing Center calendar and be sure you have arranged to have volunteers work on the days your school has been assigned. Our students' needs cannot be met if the volunteers are not there to meet them! Your help is truly appreciated.
