

SEVEN years of abundance
SEVEN years of famine

Mirroring and Foretelling

SEVEN: Spiritual Perfection

- God's language is often a mystery.
- He uses **stories**, mirroring, reflections, types, images, parallels and **NUMBERS**.
- His language is coded, preserved for those who fear Him.
- His language once understood is rich and reveals His great plan for mankind in every detail.

**7 years - a complete period of time
for spiritual perfection**

**God Almighty will bring this creation on
earth into spiritual perfection.**

REMEMBER

God owns everything

**“The earth is the LORD’s, and everything in it.
The world and all its people belong to him”**
(Psalm 24:1).

**“For the earth is the LORD’s, and everything in
it”** (I Corinthians 10:26).

**“Now if you will indeed obey My voice and keep My covenant, you
will be My treasured possession out of all the nations—for **the
whole earth is Mine**”** (Exodus 19:5).

7 YEARS OF ABUNDANCE

7 fat cows, 7 full heads of grain

- Two dreams are **ONE** of the same.
- Two different images because **God** has firmly decided on this matter.

7 YEARS OF FAMINE

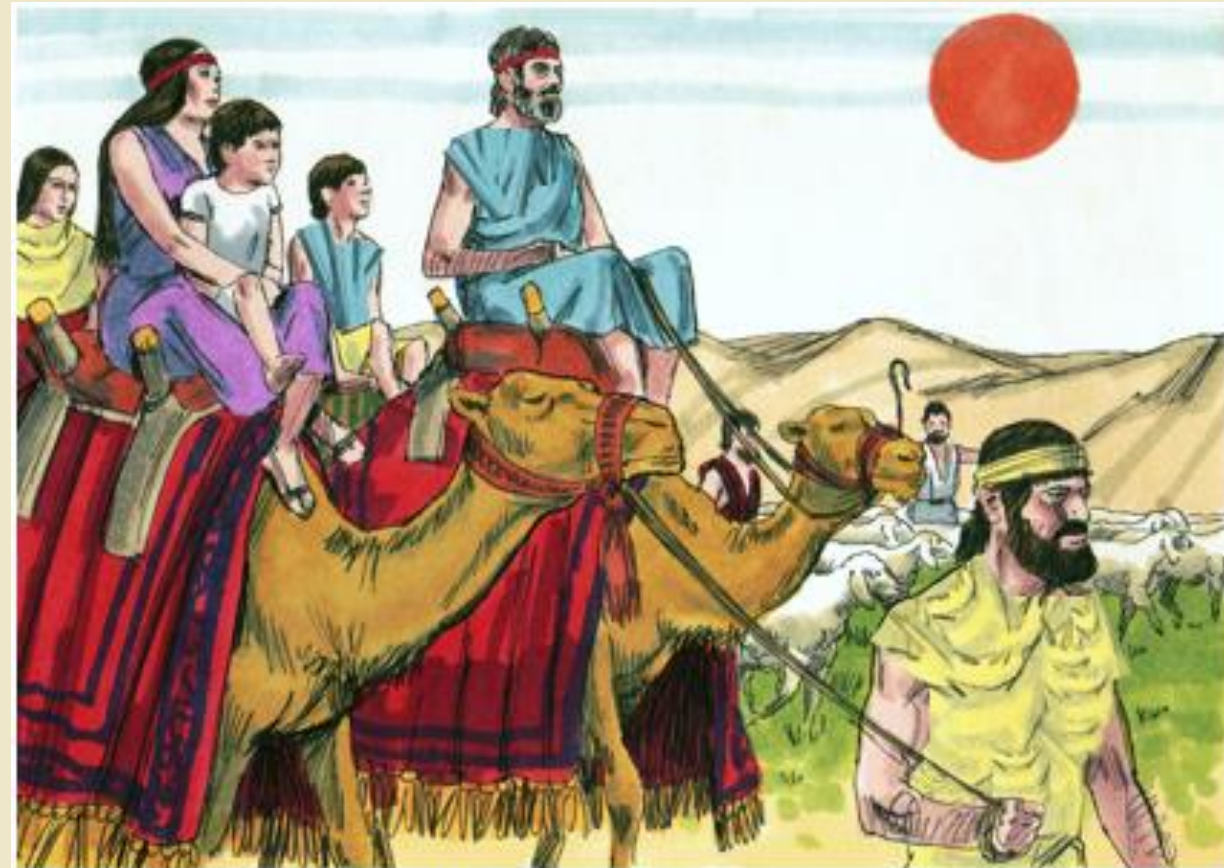

7 lean and ugly cows, 7 scorched heads of grain

- Each story adds a little detail that unlocks the mystery.
- The ugly cows are unusually ugly.
- The EAST WIND scorches seven heads of grain, hence, it must also be the EAST WIND that causes the seven scrawny, lean ugly cows.

TO UNDERSTAND THIS DREAM, keep in mind...

- Ancient Israel suffered only TWO years of the SEVEN
- Ancient Israel was brought under the care of Joseph
- Ancient Israel was supplied ALL of their needs without paying a penny
- Ancient Israel lived in the best of the land, in GOSHEN during the worst severe famine of their time.

7 YEARS OF ABUNDANCE

7 fat cows, 7 full heads of grain

- The nations provide for themselves.
- They labour, acquire knowledge and technology and make choices using their own logic and reason to manage their affairs.
- Into the 21st century, all the nations lavish in their explosion of military strength, economic prowess, medical and scientific knowledge, skill acquisition, learning resources and knowledge sharing.

7 years - a complete period of time

Mankind is **NOT** starved the opportunity for them to learn and implement their own ideas and choices.

7 YEARS OF FAMINE

7 lean and ugly cows, 7 scorched heads of grain

- Storehouses of life-reviving sustenance are opened
- Christ trades with the nations of the world and buys their self-reliance, self-direction, self-glory and independence for sustenance that brings life—eternal.
- As they run out of savings, livestock, land and finally they surrender. They will likely feel the pain of their fall from a lofty place onto their knees in servitude to Almighty God.

7 years - a complete period of time

**Indentured servants,
mankind will sell themselves
to Almighty God through the
leadership of Jesus Christ.**

7 YEARS OF FAMINE

7 lean and ugly cows, 7 scorched heads of grain

- They will feel starved of their own ways of sin and independence from God preached by Satan during his reign on earth.
- Christ, as King of all kings and Lord of all lords, will bring them under his rulership, wielding an uncompromising rod of iron.
- Corruption, injustice, theft, oppression, lying and deceit will be punished. The leaders will feel oppressed as they are humbled and brought into servitude.

7 years - a complete period of time

Mankind will be starved from fattening their lives with their own ideas and will.

They will acknowledge their ways as very, very ugly.

7 YEARS OF FAMINE

7 lean and ugly cows, 7 scorched heads of grain

- The 7 lean and ugly cows will eat the fat cows and remain the same.
- The fattened ideas of mankind will be consumed by God's sinless ways without change.
- Christ remains the same as he was yesterday, today and forever. He will not embrace any change from God's perfect way of love.

7 years - a complete period of time

The nations of the world will pay **a tithe** to Almighty God.

The LEAN cows and SCORCHED heads of grain

- God scorches the 7 heads of grain. He sends the “east wind”.

It mirrors God exposing the fallacies in their ideas, the mistakes in their theories and the fundamental flaws in every thought that causes them to become puffed up with a love for their own strength.

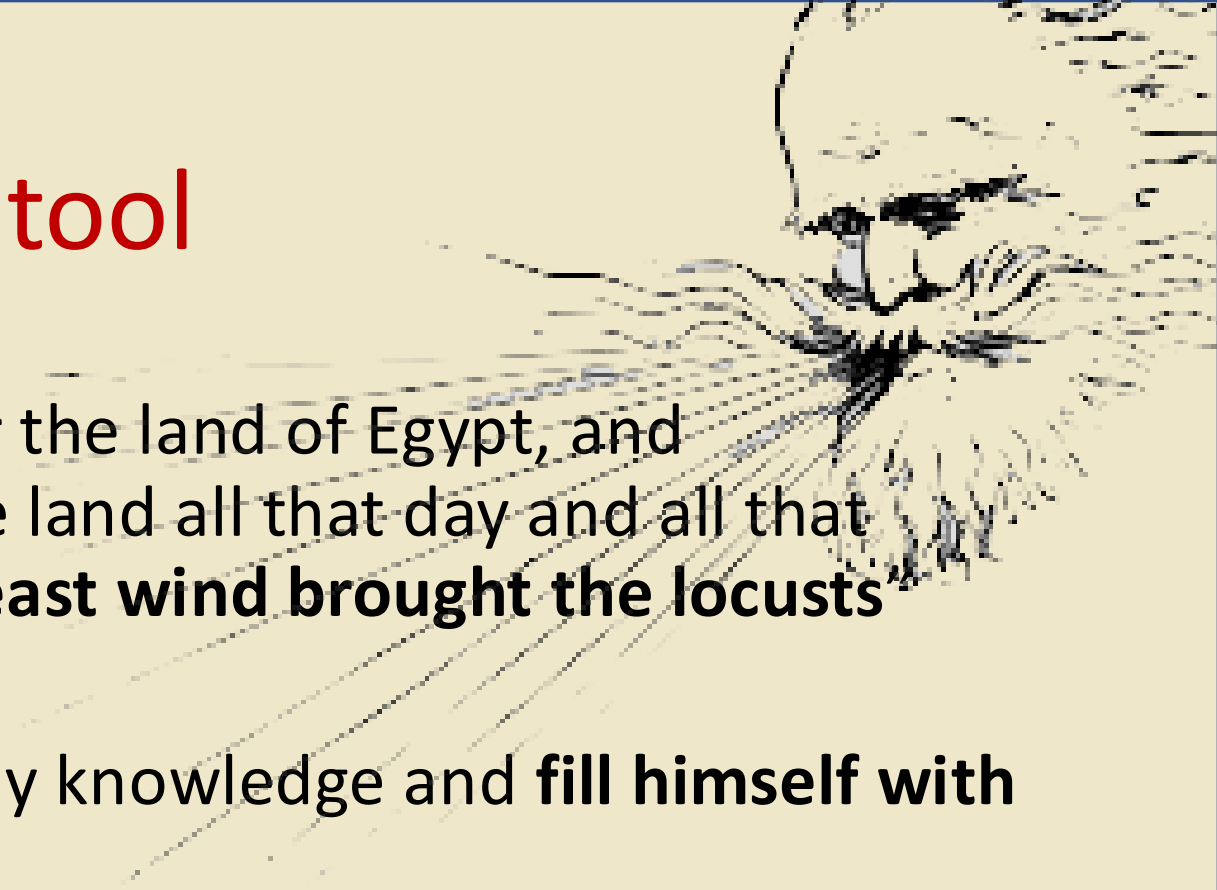

The **EAST** Wind: God's tool

“So Moses stretched out his staff over the land of Egypt, and **the Lord directed an east wind** on the land all that day and all that night; and when it was morning, **the east wind brought the locusts**” (Exodus 10:13).

“Should a wise man answer with windy knowledge and **fill himself with the east wind?**” (Job 15:2)

“You contended with them by banishing them, by driving them away. **With His fierce wind He has expelled them on the day of the east wind**” (Isaiah 27:8).

“Your rowers have brought you into great waters; **the east wind has broken you in the heart of the seas**” (Ezekiel 27:26).

7 YEARS OF FAMINE

7 lean and ugly cows, 7 scorched heads of grain

- The nations will eventually bend their knee to Jesus Christ and accept his sacrifice.
- They will come to KNOW their Creator God, the source of ALL life, the perfection of LOVE, their true FATHER and King of the HOLY, ROYAL, RULING GOD-FAMILY.

7 years - a complete period of time

God's eternal kingdom grow to cover the whole earth.

7 YEARS OF FAMINE

7 lean and ugly cows, 7 scorched heads of grain

- The seven years of famine are so life-changing that when this history is repeated in the near future, the nations won't even remember their self-centred ways during the times when they lived without God.
- Generations will pass during the Millennium and humble servitude will be all they will remember.

7 years - a complete period of time

The seven full years of famine will be felt only by the nations.

21st century Israel will bend their knee two years into the famine.

GOD'S PENMANSHIP

God's penmanship is exquisite. His language is a journey beyond mortality into the vast wonders of eternity. His message to all of mankind is clearly preserved in His Holy Days, mirrored in His covenant people, and **reflected in preserved stories of people:** their conversations, their healings, their journeys, their everyday lives recorded in the Holy Bible to reveal a precious promise of salvation that is gift wrapped with the great honour of being a member of His holy, royal, ruling God-family.

ANCIENT ISRAEL: during the first TWO years of the Famine

- They were starving; their self-reliance and independence dwindled away.
- They had to return to Egypt.
- They were in great distress coming before Joseph.
- They thought they were righteous, but they were mistaken.
- Joseph mirrors a story yet in the future.

7 years - a complete period of time

God's people will be in dire straits.

ANCIENT ISRAEL: during the first TWO years of the Famine

- Christ will bring 21st century Israel in judgment before him.
- They will be confused.
- They will feel the intense stress of their shortcomings.
- They will feel attacked and blame this unforeseen shortage of freedom to live and choose as the enemy, unbeknownst to them that it is their God—the God of Israel who brought this upon them to bring them to their knees in deep repentance and sincerity.

7 years - a complete period of time

**21st century Israel, ALL 12 tribes
will enter Jacob's trouble.**

ANCIENT ISRAEL: during the final FIVE years of the Famine

- At their humble and sincere submission, Christ will be moved to tears and he will bring ALL, not just Benjamin, **ALL TWELVE TRIBES** close to him.
- They live in Goshen—the best land for shepherding and they are totally cared for by Christ without having to pay a penny.

7 years - a complete period of time

God's people will bend their knee to Christ's rule and humbly and sincerely beg him to release their brother, Benjamin for the love of their Father.

ANCIENT ISRAEL: during the final **FIVE** years of the Famine

THE NUMBER 5

- The **number 5** is a Biblical symbol for **grace**.
- A time period of FIVE reveals a **TIME of grace** during a TIME when the world is buying a life-reviving substance from Joseph, the mirror Christ.
- This time period is the Millennium when Christ rules over every nation on earth.

ANCIENT ISRAEL: during the final FIVE years of the Famine

- The repentant people of God will live in abundance under the care of Christ and God the Father will also come in among them in this NEW place, called Goshen.
- These people are shepherds caring for their flock, living in kindness, gentleness, justice, honesty and God's righteousness.

7 years - a complete period of time

God's people are shepherds caring for sheep. Goshen is a rich place for shepherds to care for their flocks.

A deeper look...

The LEAN cows and SCORCHED heads of grain

- The 7 scorched heads of grain consume the 7 fat heads of grain without effect on the scorched heads.

This mirrors the ineffectual impact of man's knowledge and strength compared to Almighty God.

God will apply mankind's own theories, such as evolution, to destroy their arguments. He will not stop until every last faulty thought of man is consumed by their own faulty logic.

The BACKSTORY...

Satan will have ruled on earth for 3 ½ years preaching hatred for God, our Maker and King.

The nations will surrender to the Beast and Satan without a fight.

“And the dragon gave the beast his power and his throne and great authority. One of the heads of the beast appeared to be mortally wounded. But the mortal wound was healed, and the whole world marveled and followed the beast. **They worshiped the dragon who had given authority to the beast, and they worshiped the beast, saying, “Who is like the beast, and who can wage war against it?”** (Revelation 13:2-4)

Satan will be worshiped by the Nations

They will accept his godship over them.

They will eat and drink and marry planning their future with him.

“As it was in the days of Noah, so will it be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark” (Matthew 24:37-38). Hence the reason for God’s judgment on them. “I will punish the world for its evil, and the wicked for their iniquity; I will put an end to the pomp of the arrogant, and lay low the pompous pride of the ruthless” (Isaiah 13:11).

The POWER of ALMIGHTY GOD

The famine that the nations will experience will be intense pressure from Almighty God for them to see and understand the fallibility of man compared to the absolute infallibility of their Creator and bring them to their knees.

One final test will remain after the Millennial reign, Wickedness will not prevail.

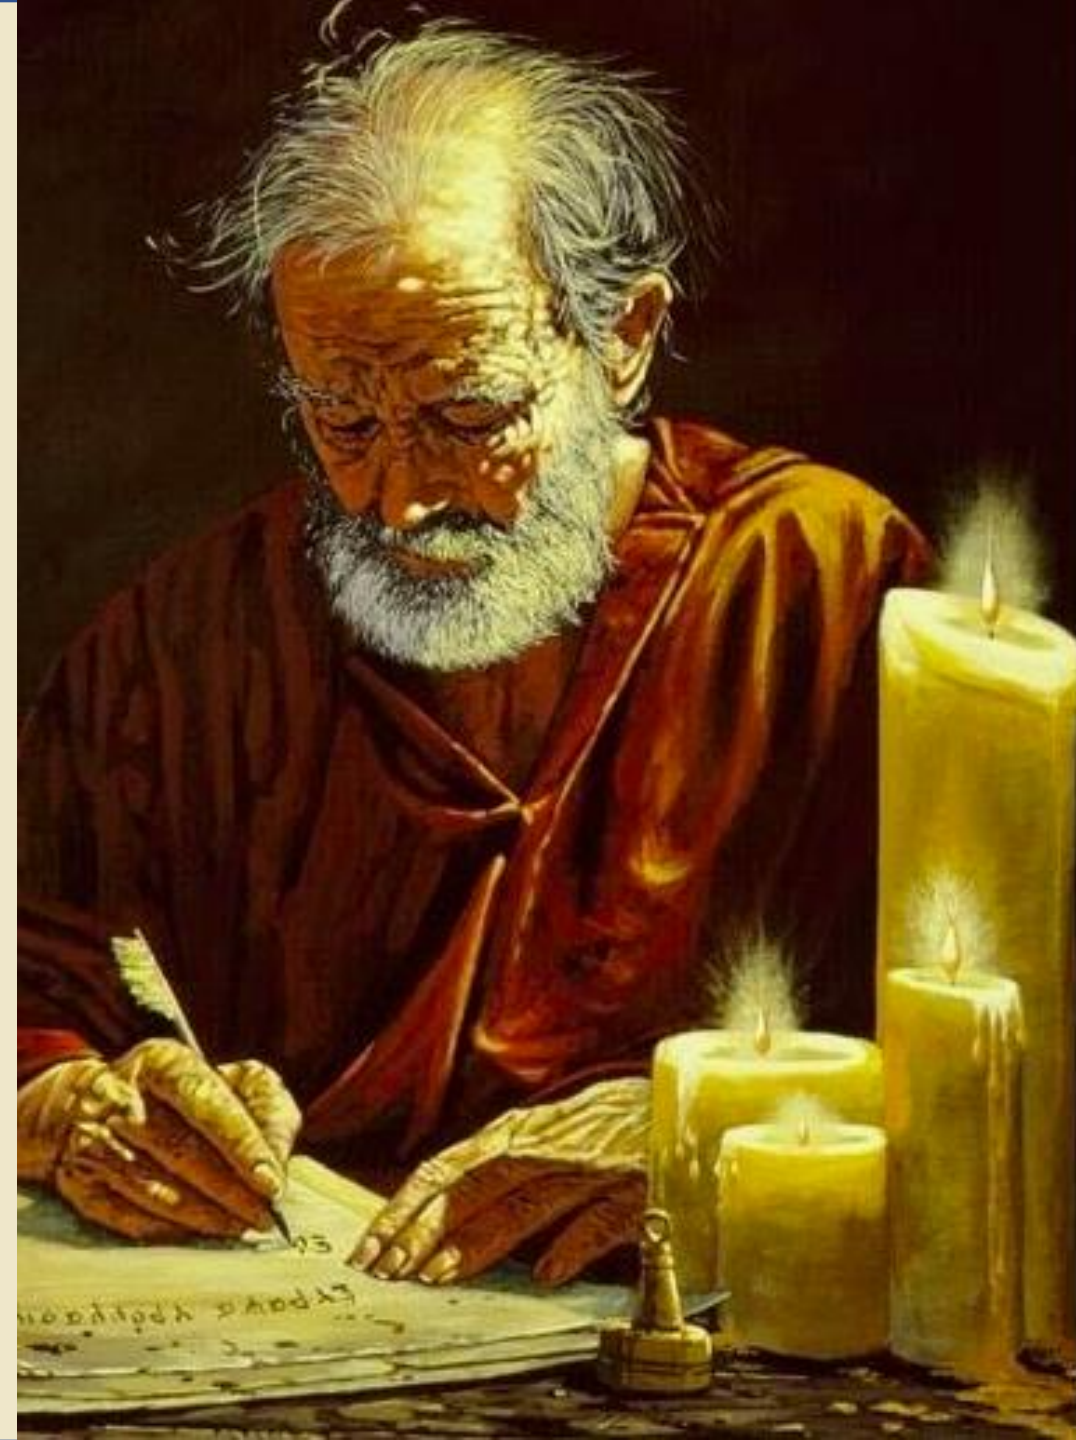

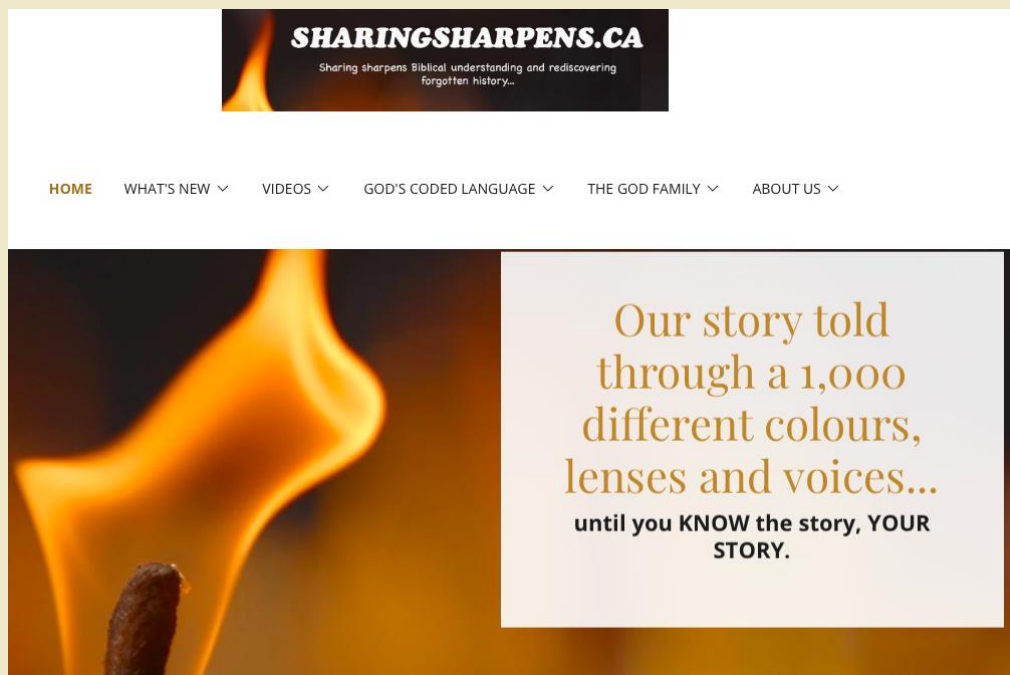

The SEVEN years of plenty and SEVEN years of famine will bring God's work to spiritual perfection. It will conclude with the 1,000 year reign of Christ, and then, it is done.

GOD'S LANGUAGE

“Now these things happened to them as an example, but they were **written down for our instruction**, on whom the end of the ages has come” (I Corinthians 10:11).
