## Dear valued Oasis Lakes owners:

Thank you for being a part of our Bluegreen® family at Oasis Lakes. We would like to inform you of a few changes that we have recently made in order to enhance our service and your ownership experience.

Hours of operation for our Reservations department are now Monday through Friday from 8:00 a.m. to 6:00 p.m. EST. We have also increased the number of vacation specialists available to assist you so that you can get to the important things in life – such as enjoying your vacation.

Another way we are making your ownership easier and better than ever is through our exciting new website at [www.bluegreenonline.com](http://www.bluegreenonline.com). The site offers many valuable features including the ability to submit reservation requests, see and make changes to your account information, pay maintenance fees online, view photos and information for individual resorts, resort area information, weather conditions, and driving directions.

Bluegreen's goal is to always provide all of our valued owners and guests with world class service, resort accommodations and amenities of the highest quality. In doing so, we listened to you and dedicated ourselves to serving you better each and every day with these recent enhancements.

If you have any further questions please call us toll free from the U.K. at +00.800.4707.4707 or from the U.S. at 866.406.7266. Hours of operation are Monday through Friday from 8:00 a.m. to 6:00 p.m. EST. You can also contact us via the web at [www.bluegreenonline.com](http://www.bluegreenonline.com). We look forward to providing you with a lifetime of memorable vacation experiences.
