

TAU XL

TRAINING AWARENESS UPSKILLING

Unleash the Power of Assistive Technology

Tau XL offers a collection of CPD-certified digital courses aimed at elevating awareness of Assistive Technology (AT) and its versatile applications in both professional and educational settings.

Workplace XL

Education XL

Assessor XL

Our specialised courses deliver an in-depth grasp of AT, delving into its effects and solutions for specific individual needs, offering an exploration of various AT tools categorised for targeted learning.

The Benefits of Choosing Tau XL

Independent & Impartial

Tau XL is independently accredited and provides an unbiased view, focusing on the 'why' behind Assistive Technology, not just the 'how'.

Consistent Quality and Breadth

Tau XL's standardised curriculum ensures a consistent, in-depth understanding across a wide range of AT tools, focusing on practical benefits.

Up-to-Date Insights

Stay ahead of the curve with proactive alerts and updates on all the latest advancements in Assistive Technology products.

CPD-Certified

Elevate your skills and meet your Continuing Professional Development (CPD) goals.

Save Time & Money

Your centralised hub for all your essential AT resources, effortlessly streamlining the process of researching each AT solution individually.

Auditing & Reporting

Advanced tracking to monitor progress and maintain compliance.

In-Depth & Comprehensive

Tau XL goes beyond product features, exploring the benefits and applications of AT tools in various settings.

Annual Training Refresher

Tau XL's membership model provides year-round updates, insights and resources, not just a one-time course.
