

14th Annual Dance Recital
June 21, 2025
11am and 2pm
Clifton High School

Dear Parents, Families, and Friends,

I cannot express how proud I am of all the hard work and dedication our dancers have shown throughout the year. They have worked tirelessly week after week to better their craft and today is that exciting day when we finally get to see the outcome of all of that effort.

This year we chose “Going Global” as our theme because we wanted to showcase the different styles of dance and different styles of music from around the world. Each class got to “visit” a new location from around the world, and I hope you enjoy your journey as we “visit” different places such as Ireland, Hawaii, Jamaica, France, and Africa.

Our Awards production will take you on a journey across the United States. We will begin in California and make our way back home to New Jersey. This year’s awards production is extra special because a number of our talented dancers had the opportunity to create pieces of choreography for the production. It was exciting to watch the dancers brainstorm and work together to make that magic happen. They really did a fantastic job.

Now it is time for you to sit back, relax, and enjoy the show!

Miss Kim
