Automatic Tuition Payments

- Automatic payments are the easiest, most convenient way to pay for your monthly tuition.
- All piano and voice students are required to have a credit/debit card (Visa, MasterCard, or Discover) on file.
- Monthly tuition will be automatically withdrawn from the credit/debit card on file, on the last day of the calendar month. (For example: October tuition will be withdrawn on September 30th.)
- Those wishing to pay by cash, check, or a different credit card than the one on file, may do so before the last day of the calendar month.
- There will be a \$40 cash fee for any bounced checks.
- There will be a \$20 fee if a credit card is declined.
- **Late payments: No lesson will be scheduled unless it has been paid for.**

Schedule: Each lesson is held once a week. This is to ensure that students will learn and develop their skills on a continuous basis, without interruption. Lessons are scheduled based upon student and teacher availability. BPAC reserves the rights to re-assign instructors if the assigned instructor becomes unavailable or if the change will benefit the student. All lessons are to be used within 1 month of first lesson.

Cancellations/Missed Lessons: In case of emergency or illness, lessons may be cancelled up to 24 hours before the scheduled appointment. Once you are scheduled for a lesson, we can no longer offer that timeslot to another student. If insufficient notice is given or student misses a scheduled appointment, they are still required to pay for the missed lesson.

Make-Ups: If a lesson is **cancelled at least 24 hours in advance**, the student will be allowed to reschedule within 1 month of first lesson. Make-Ups are not guaranteed and are based upon availability of both the studio and the instructor.

(Please note: Students are responsible for obtaining any sheet music he/she may want to work on.)
