2021 Pacific Partnership Calendar of Events

Hello Pacific Community Partner,

Welcome to 2021, a new year with so many opportunities. The Partnership continues to grow and is looking for your support. We are excited to announce the position for a new Partnership Executive Director. This position will give us the staff to grow our organization as well as the downtown district. We are so excited to fill this position and look forward to the hiring process. If you have a candidate in mind, please have them email their resume to us.

We are continuing our Facade Grant Program for building owners in the downtown district to improve their structures. The Partnership will match 50/50, up to \$2,000 for a project to improve the exterior of an existing building. We continue to strive in helping our Downtown grow.

As we work toward these exciting goals, the Partnership remains focused on our annual events. Due to so many events being cancelled in 2020, we plan on making each event even bigger and better this year.

In addition to attracting thousands of visitors to Pacific each year, these events bring a sense of joy and community to our City. However, none of this joy is possible without your help. This year we are offering four donation levels to show your support for the organization and your support for our beloved downtown.

You are the reason the Partnership has been successful these past 19 years, and you will be the reason for the success in the future.

Please join us in making 2021 way better than 2020!

Thank you ,

Amanda Nemeth
